Foreword

"Oh! Hello, good fellow! (Doty, write this down) It is with the greatest of honors and privilege of yourself that I, Taryon Darrington, present to you: a book of coloring. A book made by the hands of an elite group of artists that I have collected. A book made with the expertise and magnanimity of the Darrington name. But most daring, a book that even Jumbo can read. This book was made for you lucky critters to take to with your coloring inks. These marvelous pictures tell the tales of my famed team, dare I say friends, Vox Machina. So go on and take a look at this grand effort and remember: It was I, Taryon Darrington, who triumphed in this treacherous task!"

A handwritten signature in black ink, reading "Taryon Darrington". The signature is stylized with large, flowing letters and a small heart at the end.

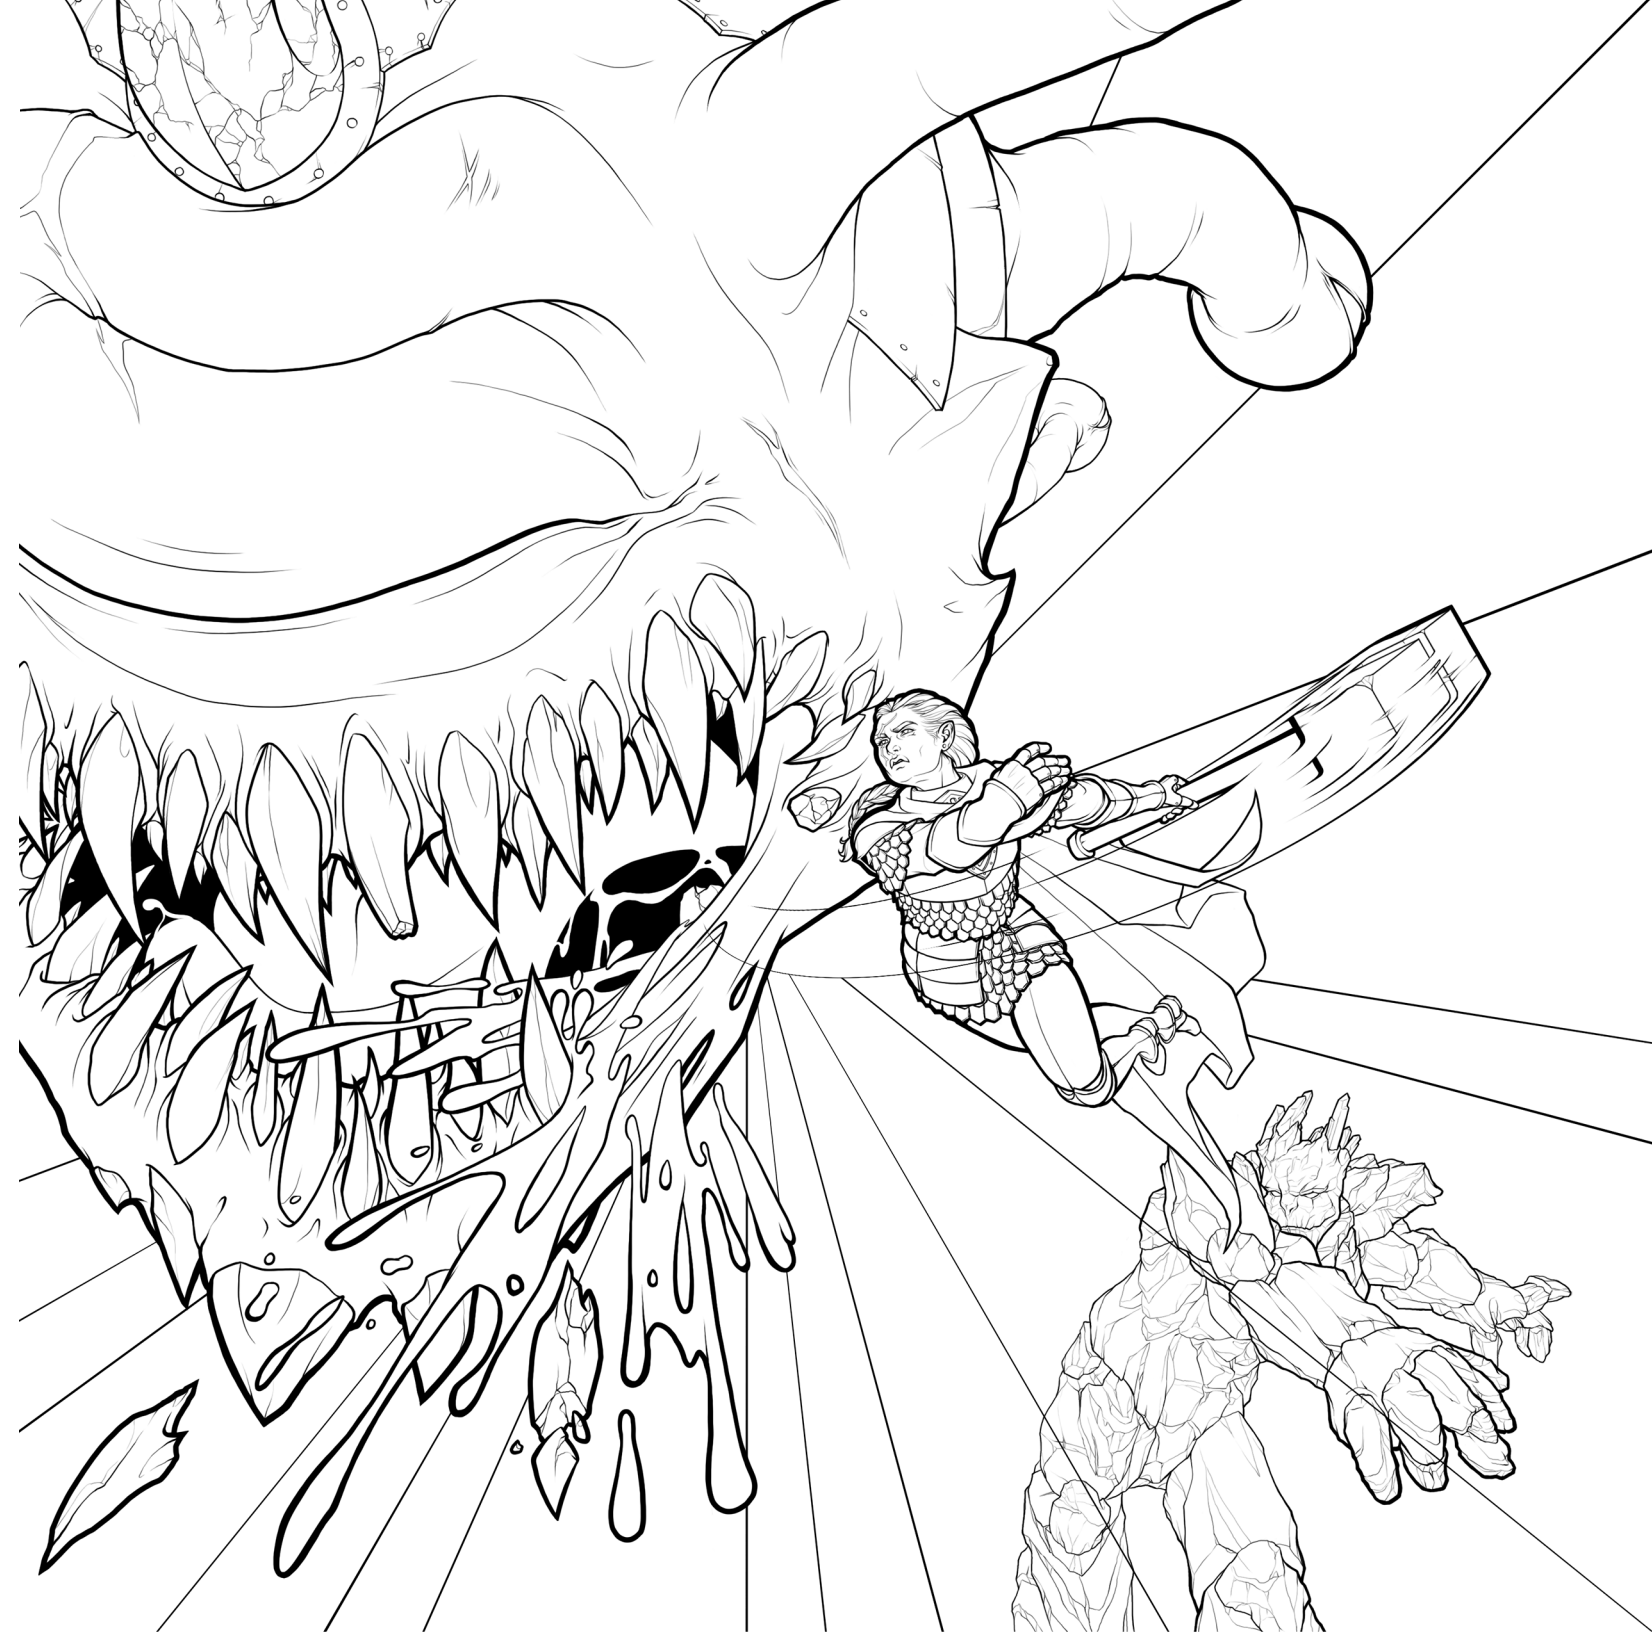

"Vox Machina, F#\$%! SH!T UP!!!"
Grog Strongjaw

"I give him a cotton candy kiss on his forehead."
Pike Trickfoot

**"I know I will not survive this. But I will be damned
if I don't dent its face before I go."**

Lady Kima of Vord

◆ KRAGHAMMER ◆

**"No one's on a first name basis with Gilmore.
Gilmore is Gilmore. Except for maybe, maybe Vax."**

Matt Mercer

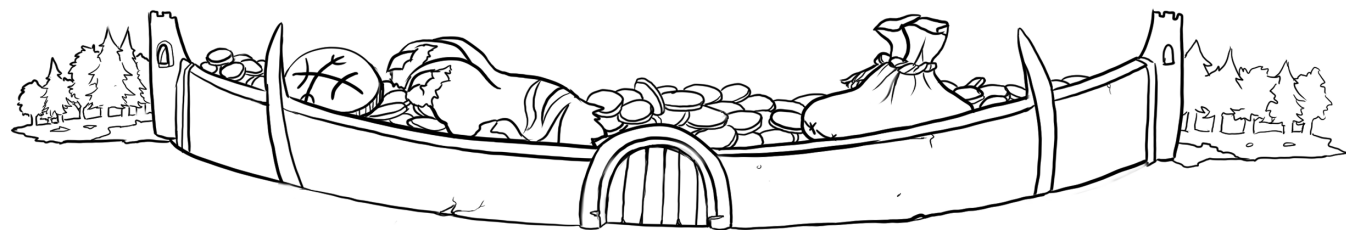

"Oh my gosh, I've heard about her, she is something."

Lyra

"You lost our flying carpet, you unconscious bastard!"
Vex'ahlia

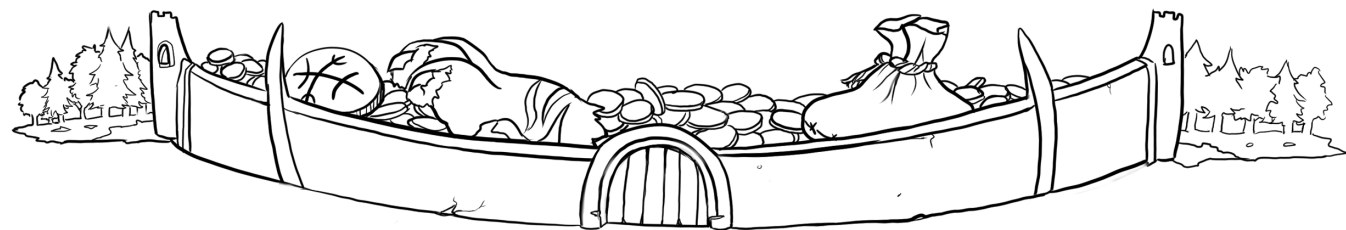

"Excuse me, I have an intelligence of six,
I know what I'm doing."
Grog Strongjaw

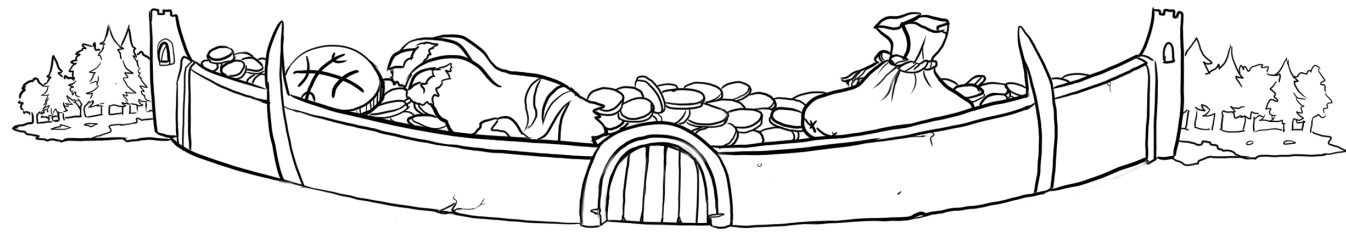

ARISU
PAINTS

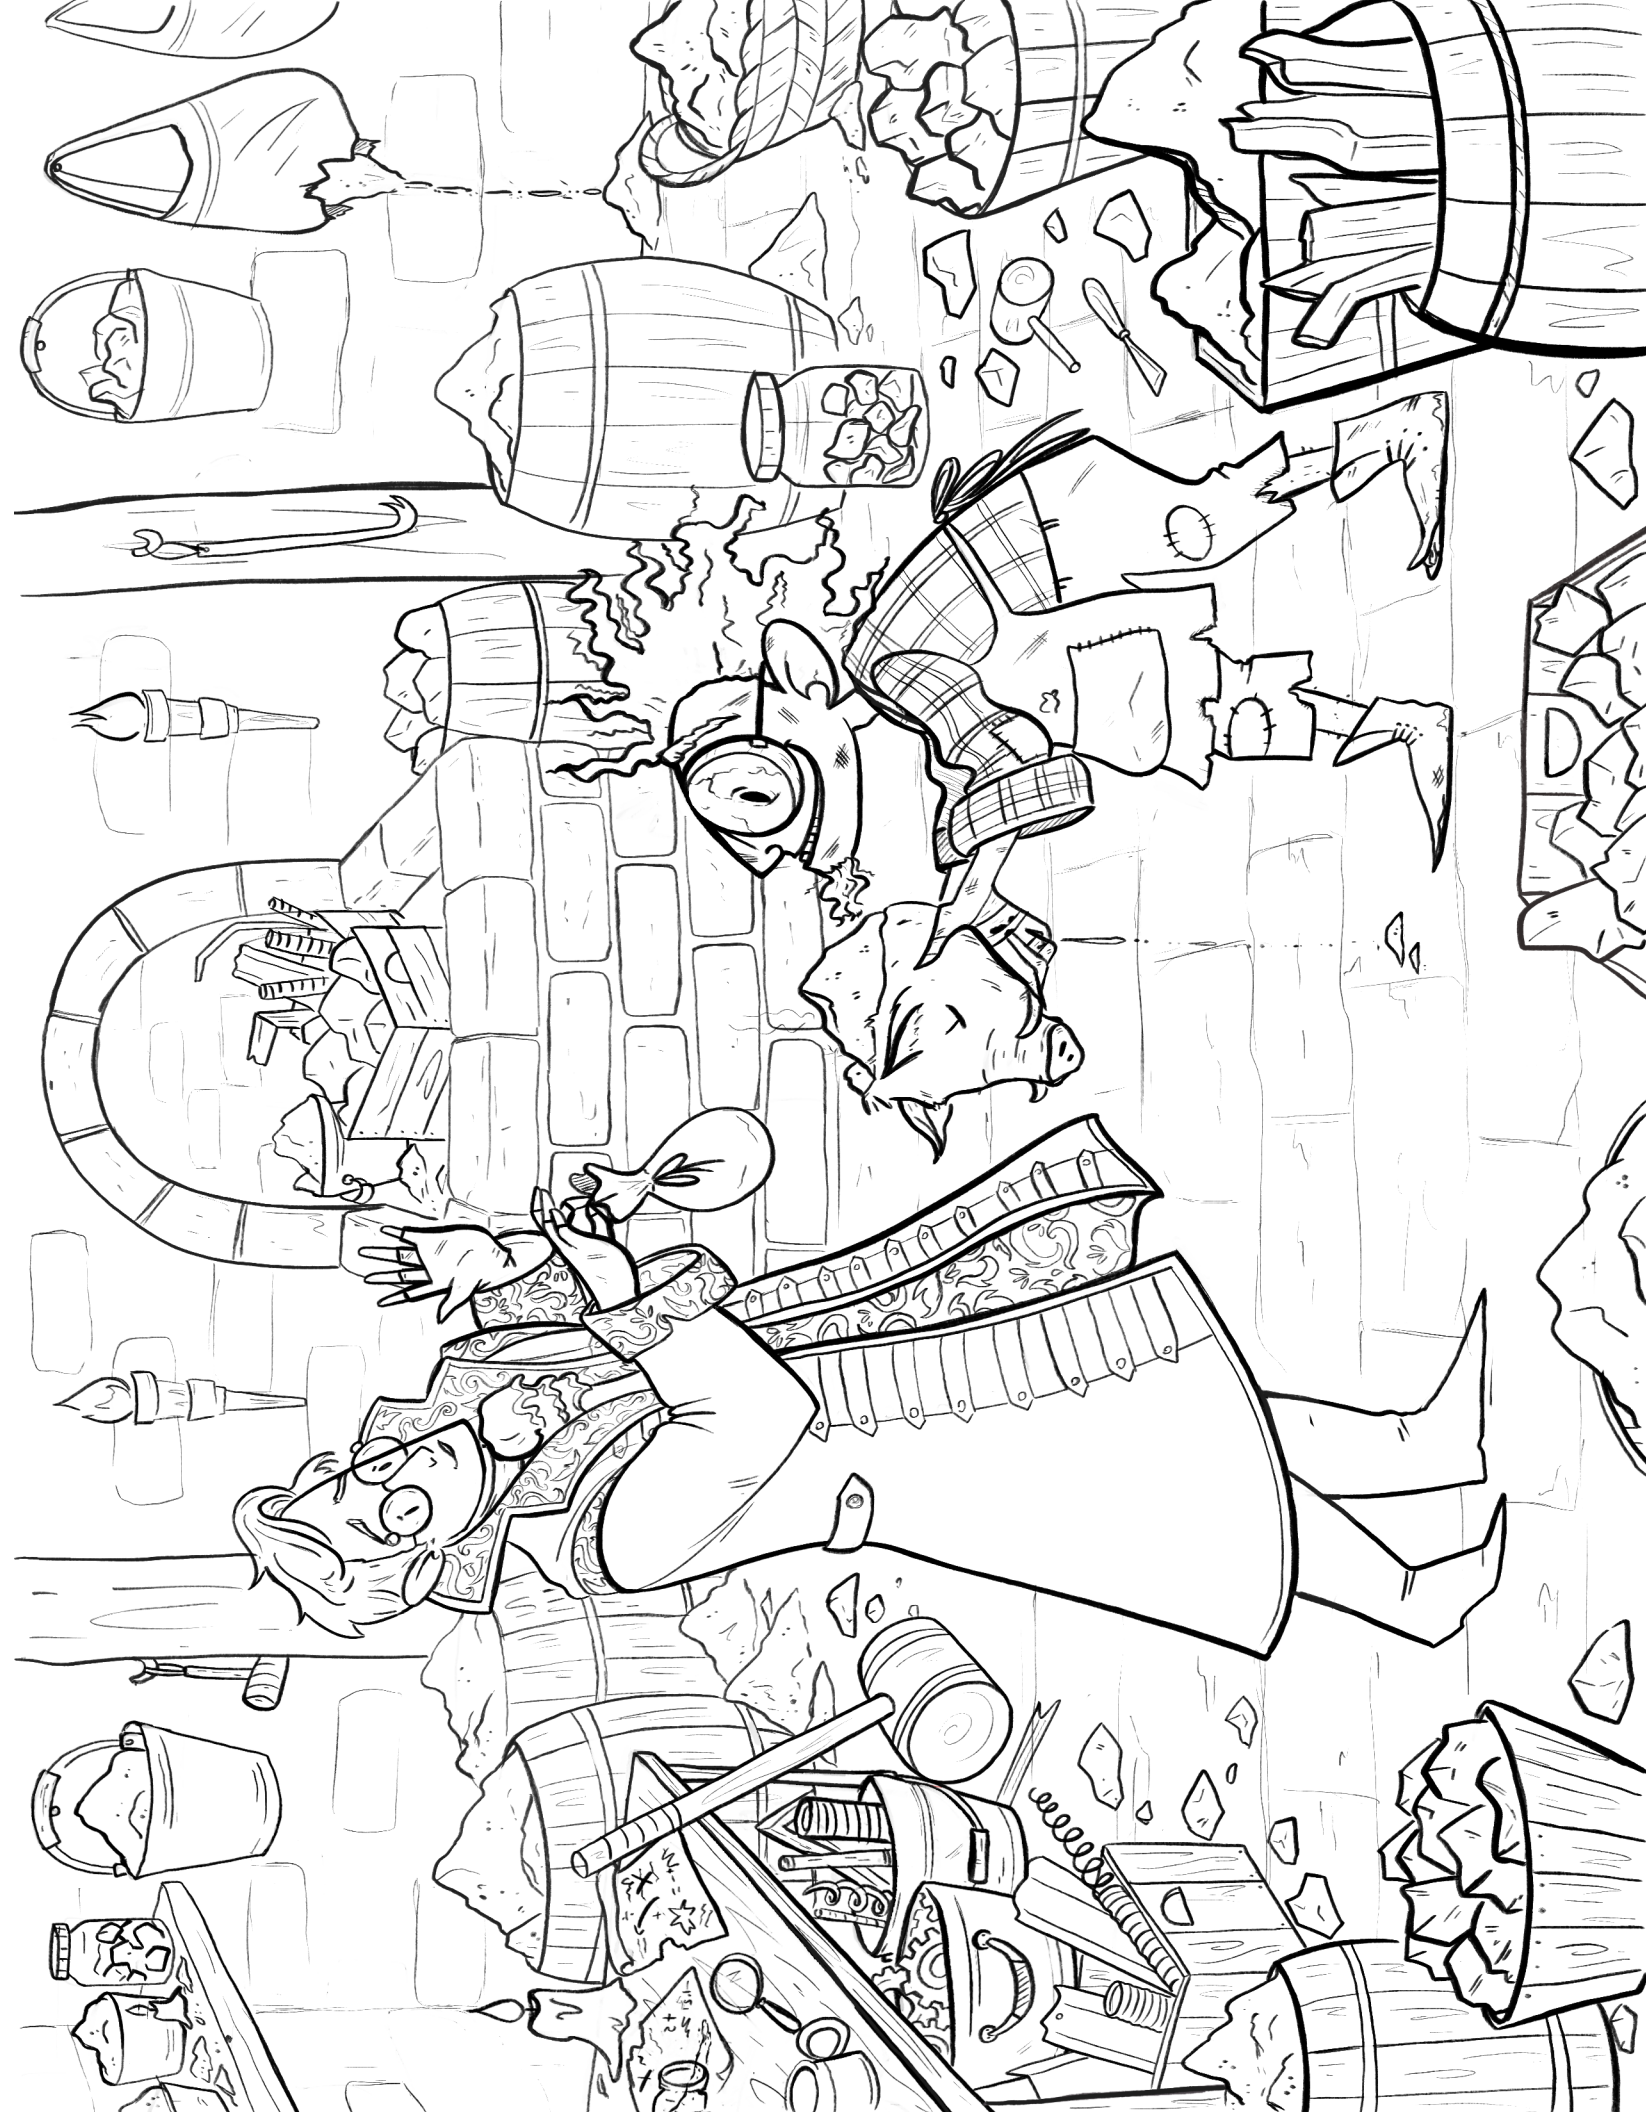

"What's the best thing you've got?
That's, you know, within reason."
Vex'ahlia

"Learn from my mistakes!"
Victor the black powder merchant

"He's SO comfortable! Look, I gave him plenty of treats, he doesn't even know what's happening."

Keyleth

[Trinket gives a] mournful low, guttural groan.
You're pretty sure it translates to,
"Why?"

**"You have an interesting taste in enemies.
Almost as interesting as mine."**

Lilith

"You've defeated beholders, slaughtered illithids in the Underdark, deep in the belly of the planet, but this DOOR bests you."

Matt Mercer

"Let's kick some @\$\$!"
Pike Trickfoot

"Don't worry. You look delicious."
Sylas Briarwood

"I am so tired of hurting people."

Percival de Rolo

"You don't have to hurt anyone anymore."

Vex'ahlia

"That was so EXPENSIVE."
Percival de Rolo

"Vox Machina continues to enjoy the joyous affair that is the Winter's Crest festival. Snowfall slowly covering the night sky as the sun comes to dusk. You withdraw to tell stories, sing songs, and drink merrily as the friends you are, looking forward to the next chapter in your adventure."

Matt Mercer

"I don't know what is going to happen in the following hours, do not go far from me."

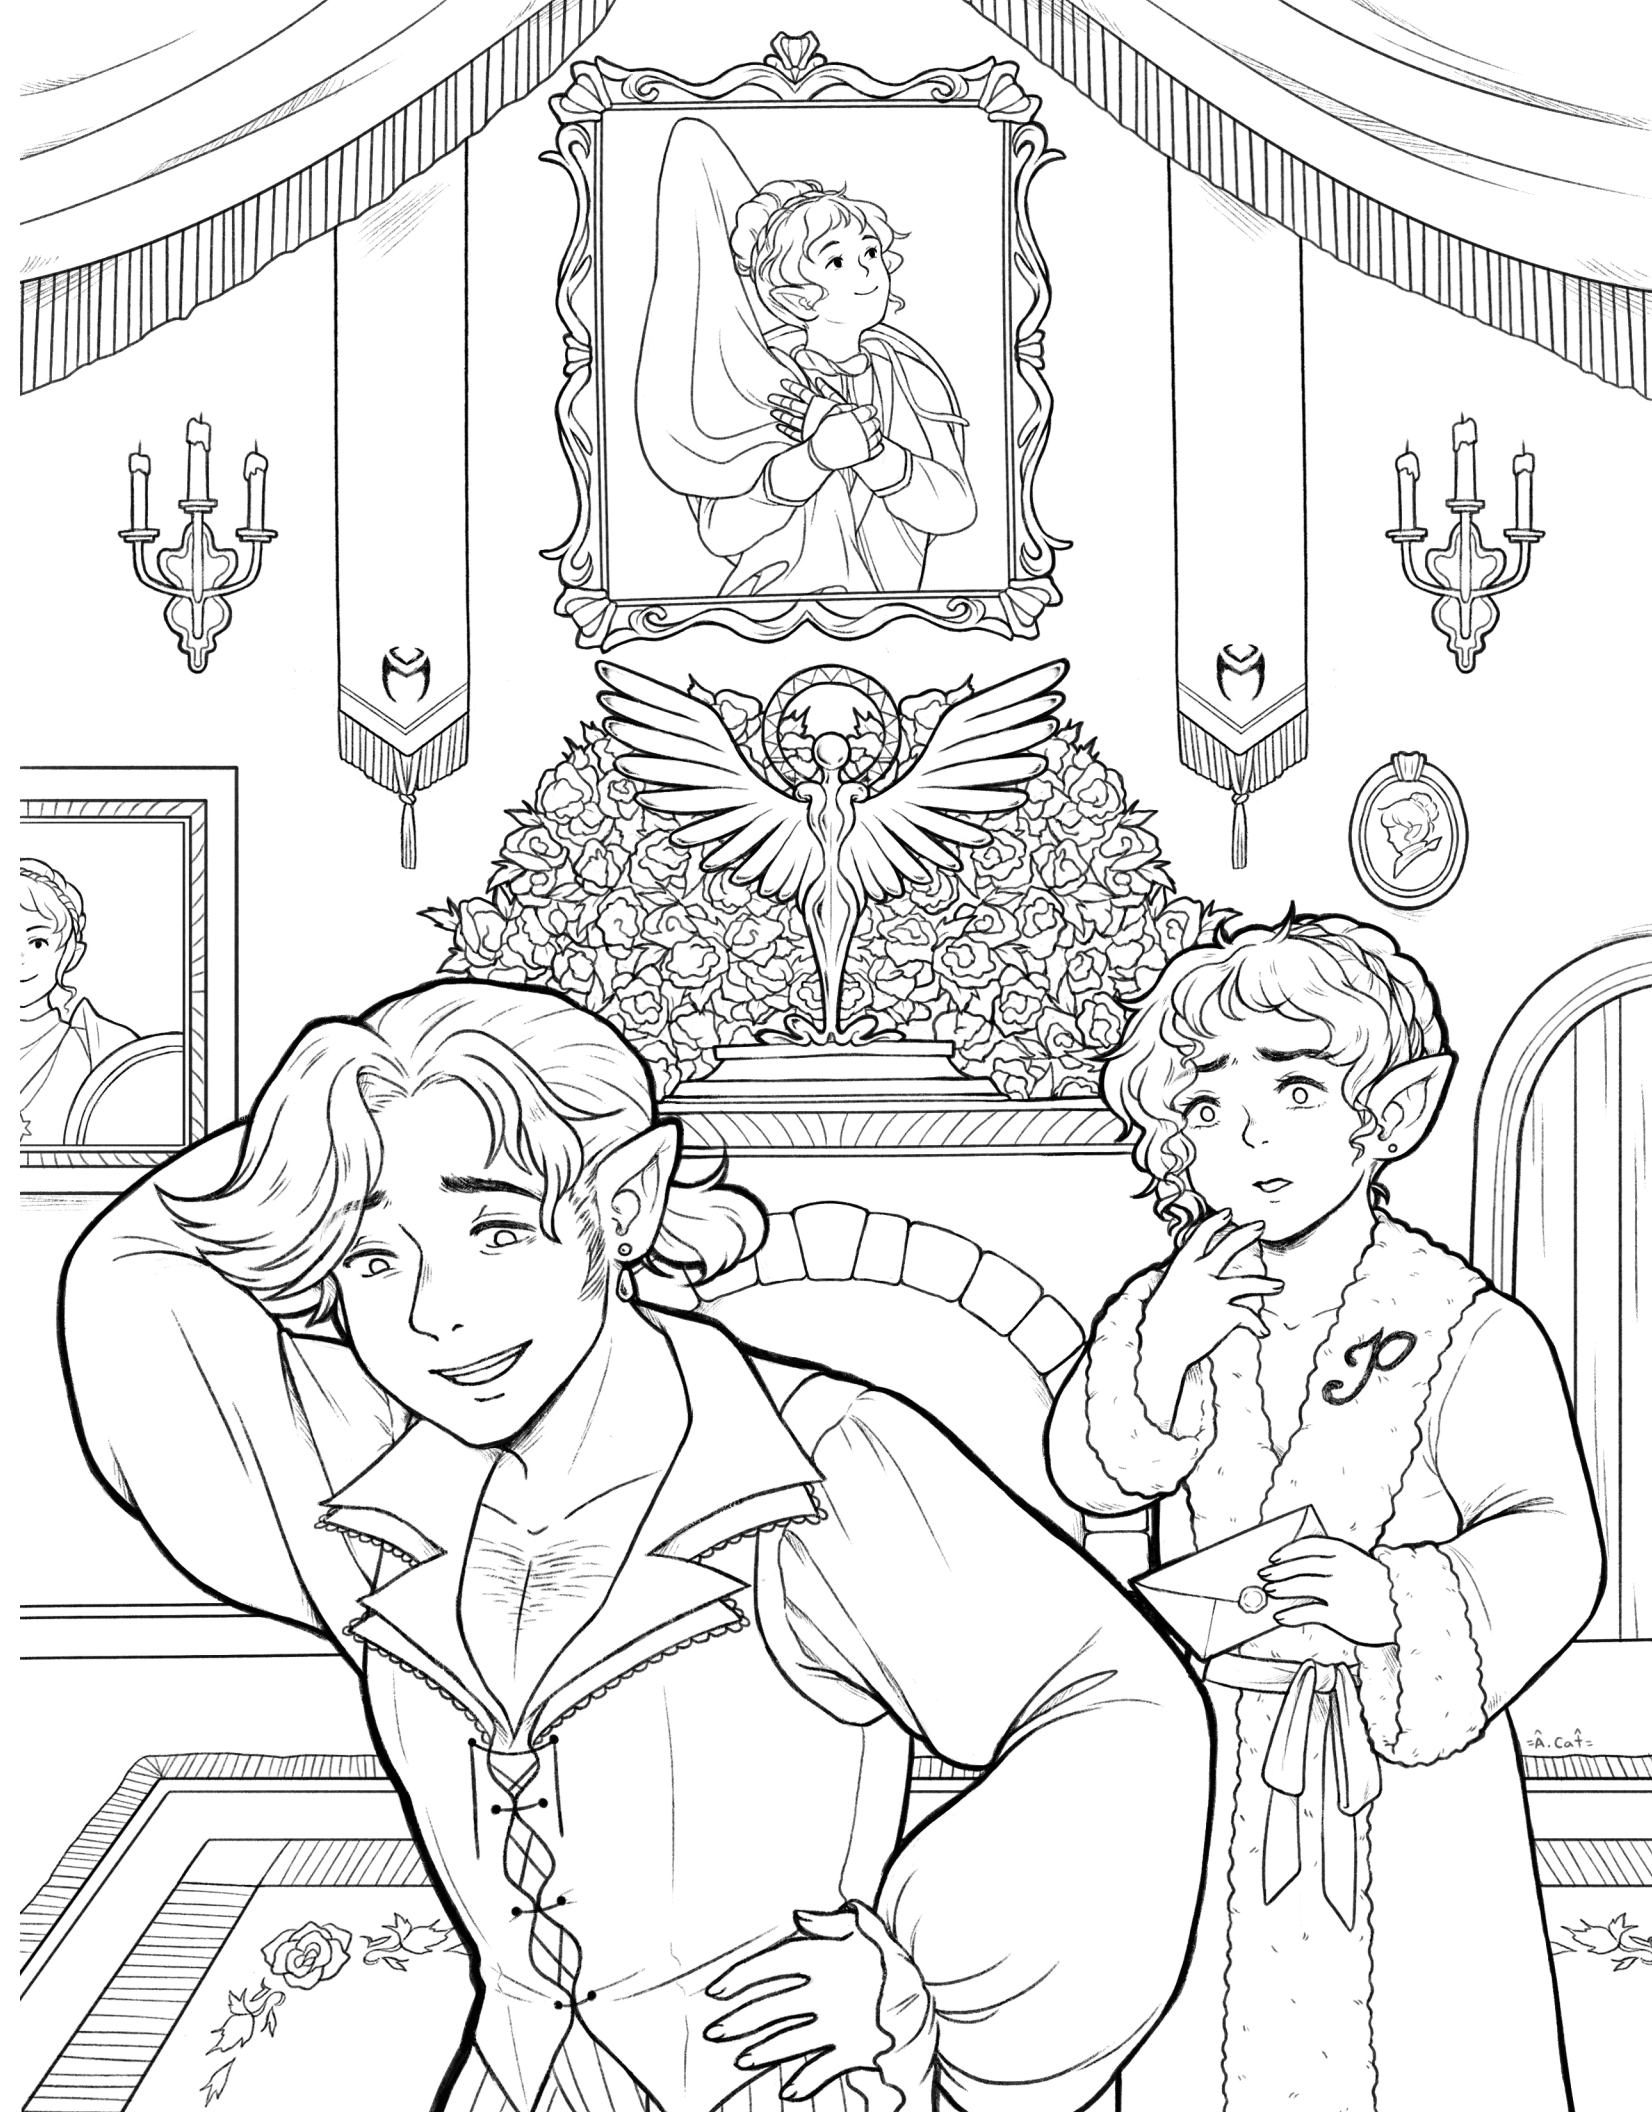

Vax'ildan

"I think I've always been in love with the idea of you.
You know, you're so perfect and beautiful and...
smart, and... But, you know, I don't want to love an
idea, I want to love a girl; and I think, in all of this time
pining after you I forgot to just hang out with you and
know you as a person, and I'm sorry for that."

Scanlan Shorthalt

**"You take any one piece away, and
the tower falls. Jenga, man."**

Vax'ildan

"The voices of Pike and Percy begin to harmonize across these various refrains in a language that, especially when spoken in this rhythmic, ritualistic way, it seems to almost create a third voice..."

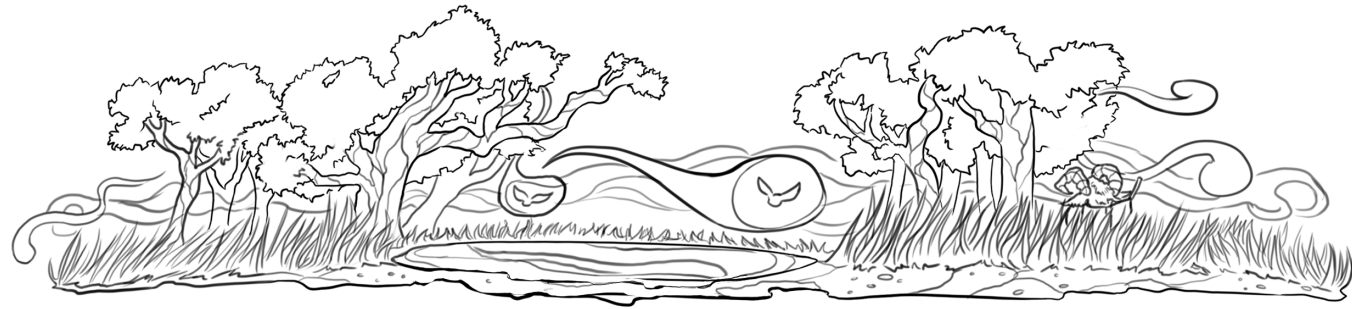

Matt Mercer

"Respect the antlers."
Keyleth

"With power comes a price."
The Raven Queen

"What did you say?"

Allura Vysoren

"Oh, there was a Raka-sha-sha."

Scanlan Shorthalt

"A Rakshasa."

Percival de Rolo

"A Rakshasa."

Keyleth

"No, I think you're saying it wrong."

Scanlan Shorthalt

"Do you trust me?"
Shaun Gilmore

Vax nods and Gilmore suddenly pushes him off the edge.

**"Be careful. Be safe. And if anything comes your way
that you feel that you are incapable of handling, run.
We don't need heroes right now. We need survivors."**

Syldor

"...No promises?"

Grog Strongjaw

"There are structures that have been built throughout periods of time, some of which have fallen to ruin. Nature in the Feywild tends to reclaim things that aren't natural if left to their own devices."

Matt Mercer

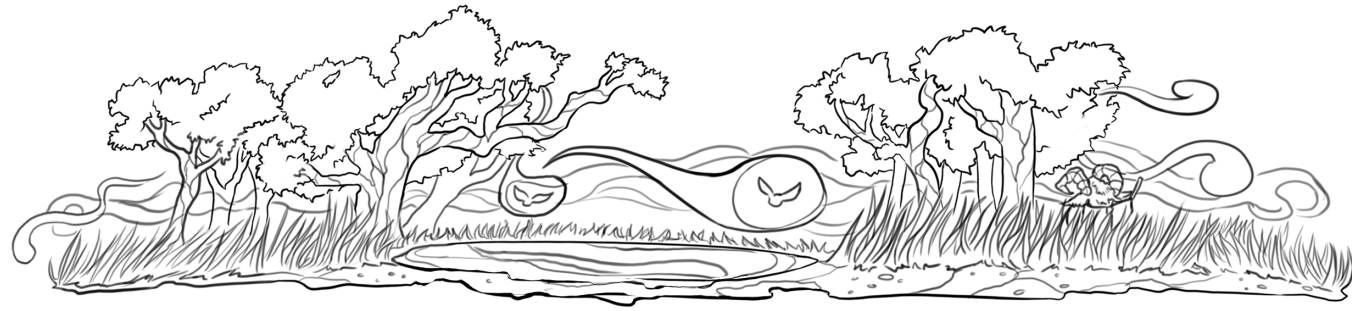

"My heart is someone else's."

Vex'ahlia

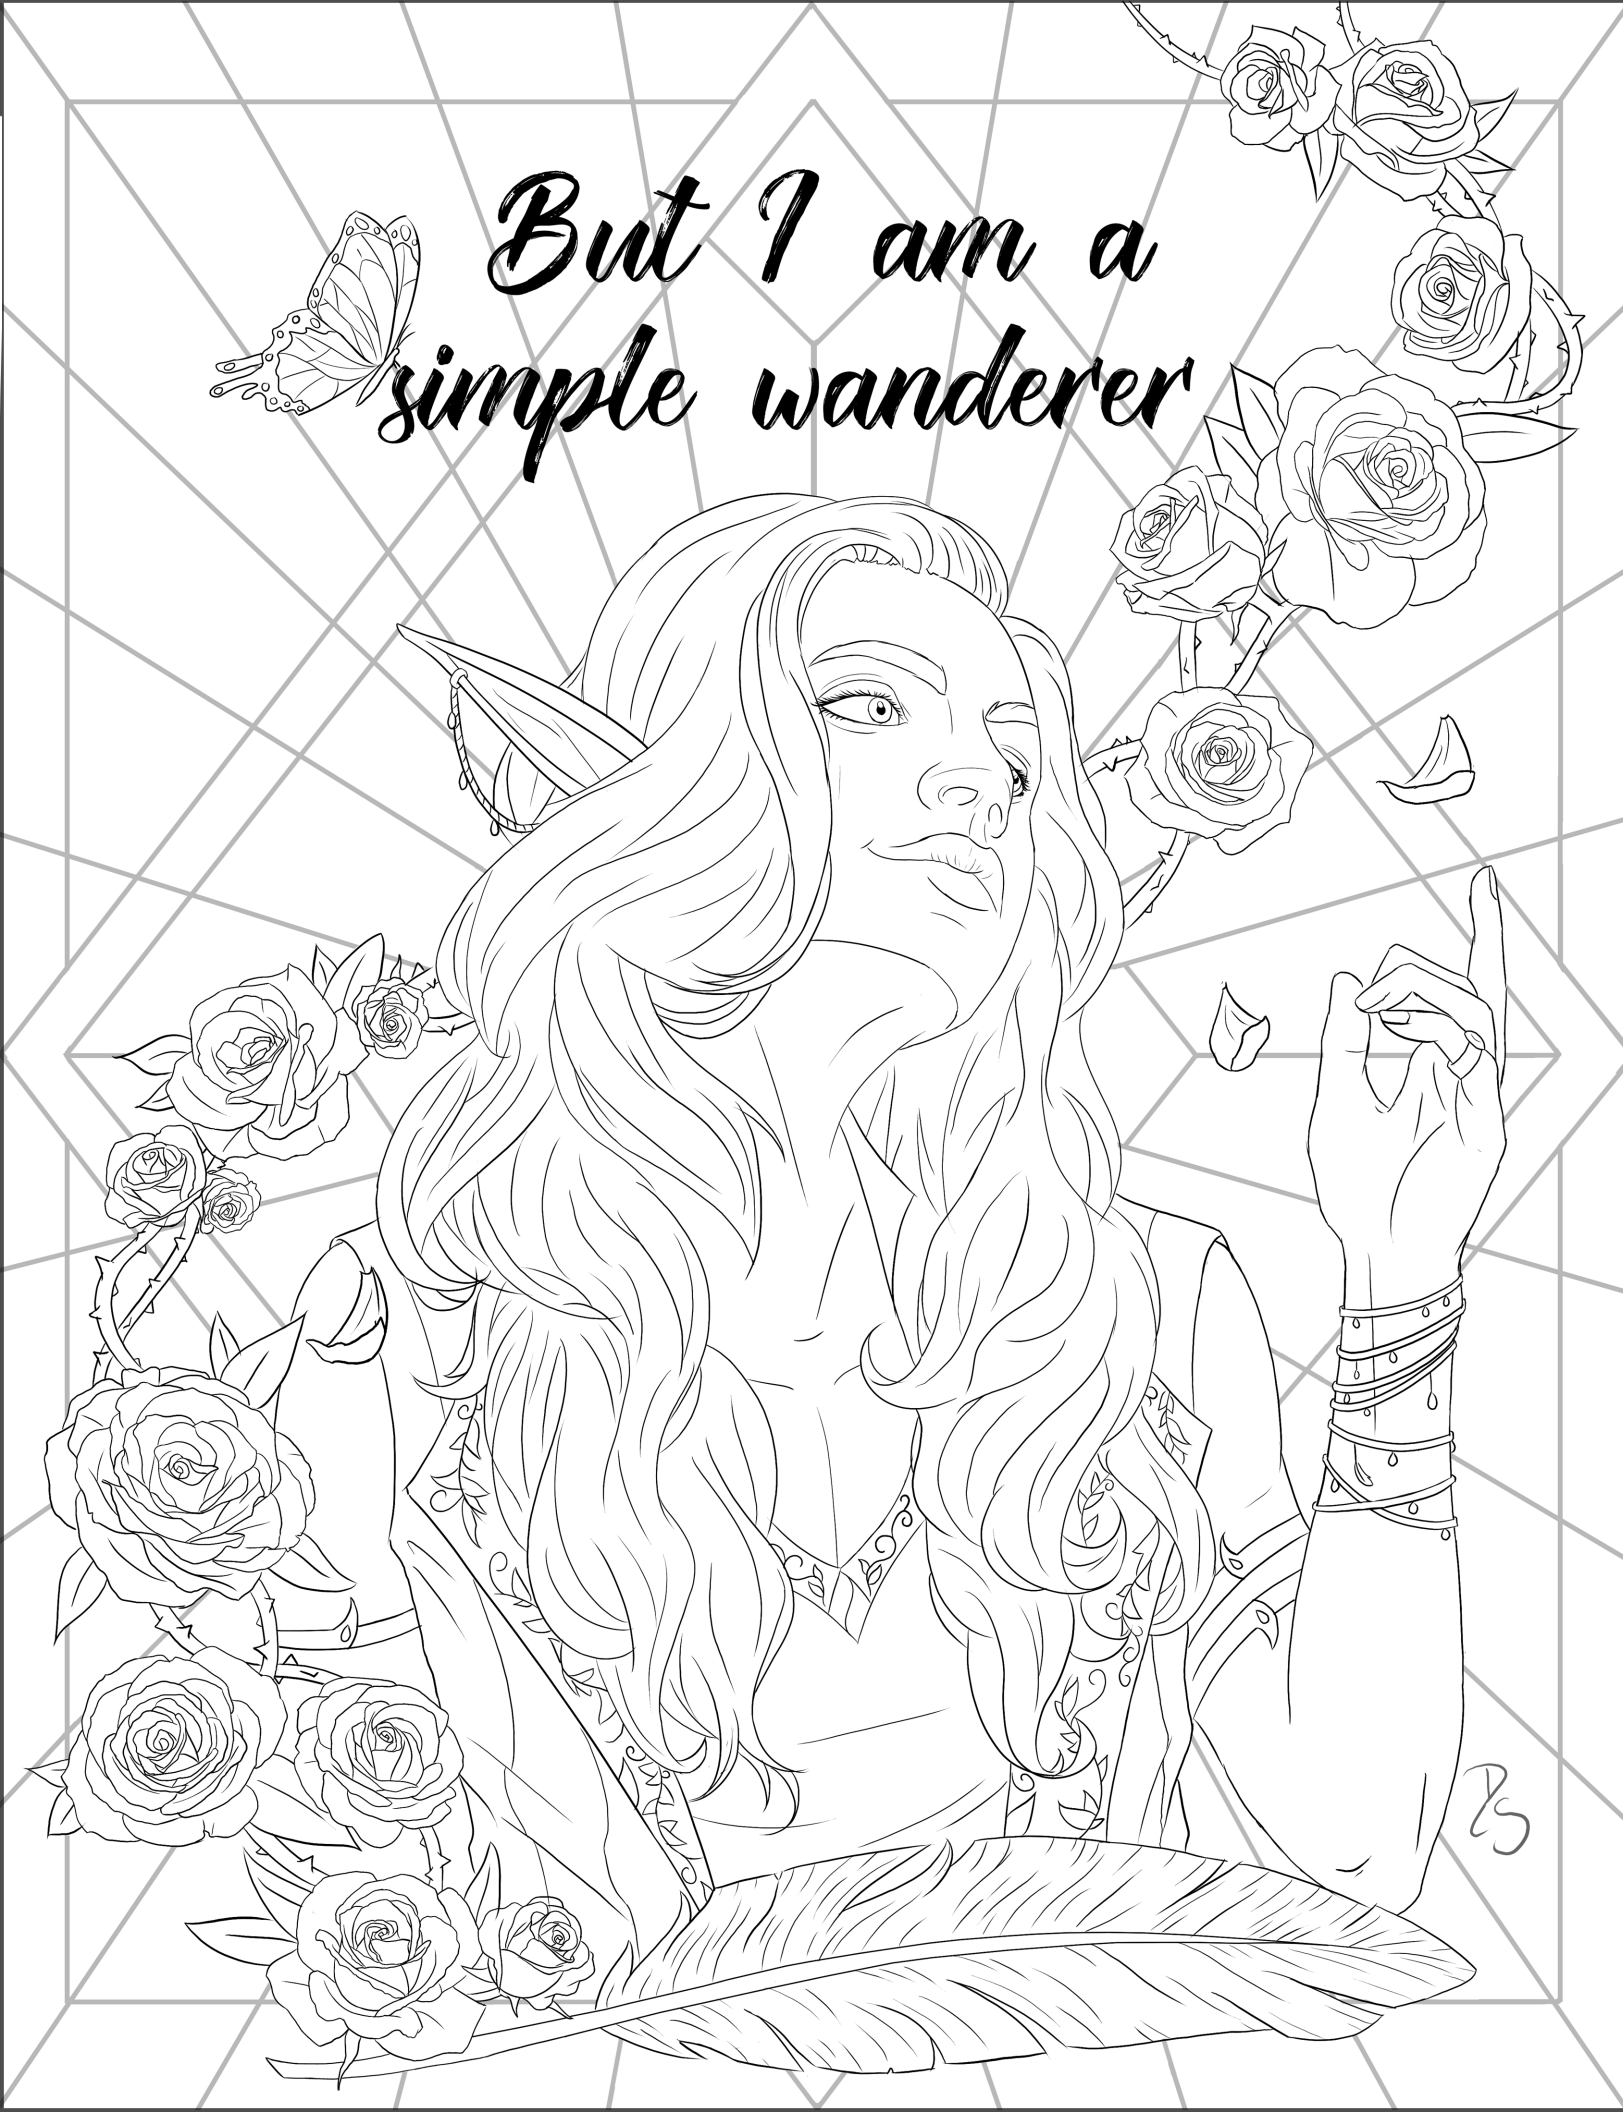

**"Travel safe. Stay alive.
And maybe visit... if you get lonely."**

Artagan

*But I am a
simple wanderer*

"Life needs things to live."
Percival de Rolo

As I walk away, I walk up. I kiss her.

"So, we'll talk later."

Percival de Rolo

And I walk away.

"Is there a weak point?"

Kashaw Vesh

"Our plan."

Scanlan Shorthalt

"I am not wise, and I do not give advice. But I have come to know a few things. Sometimes breaking is making, even iron can start again, and there are many things that move through fire and find themselves much better for it afterwards."

Kerrek

**"In fact, we'll be keeping your weapons,
your armor, and, I believe, your pride."**

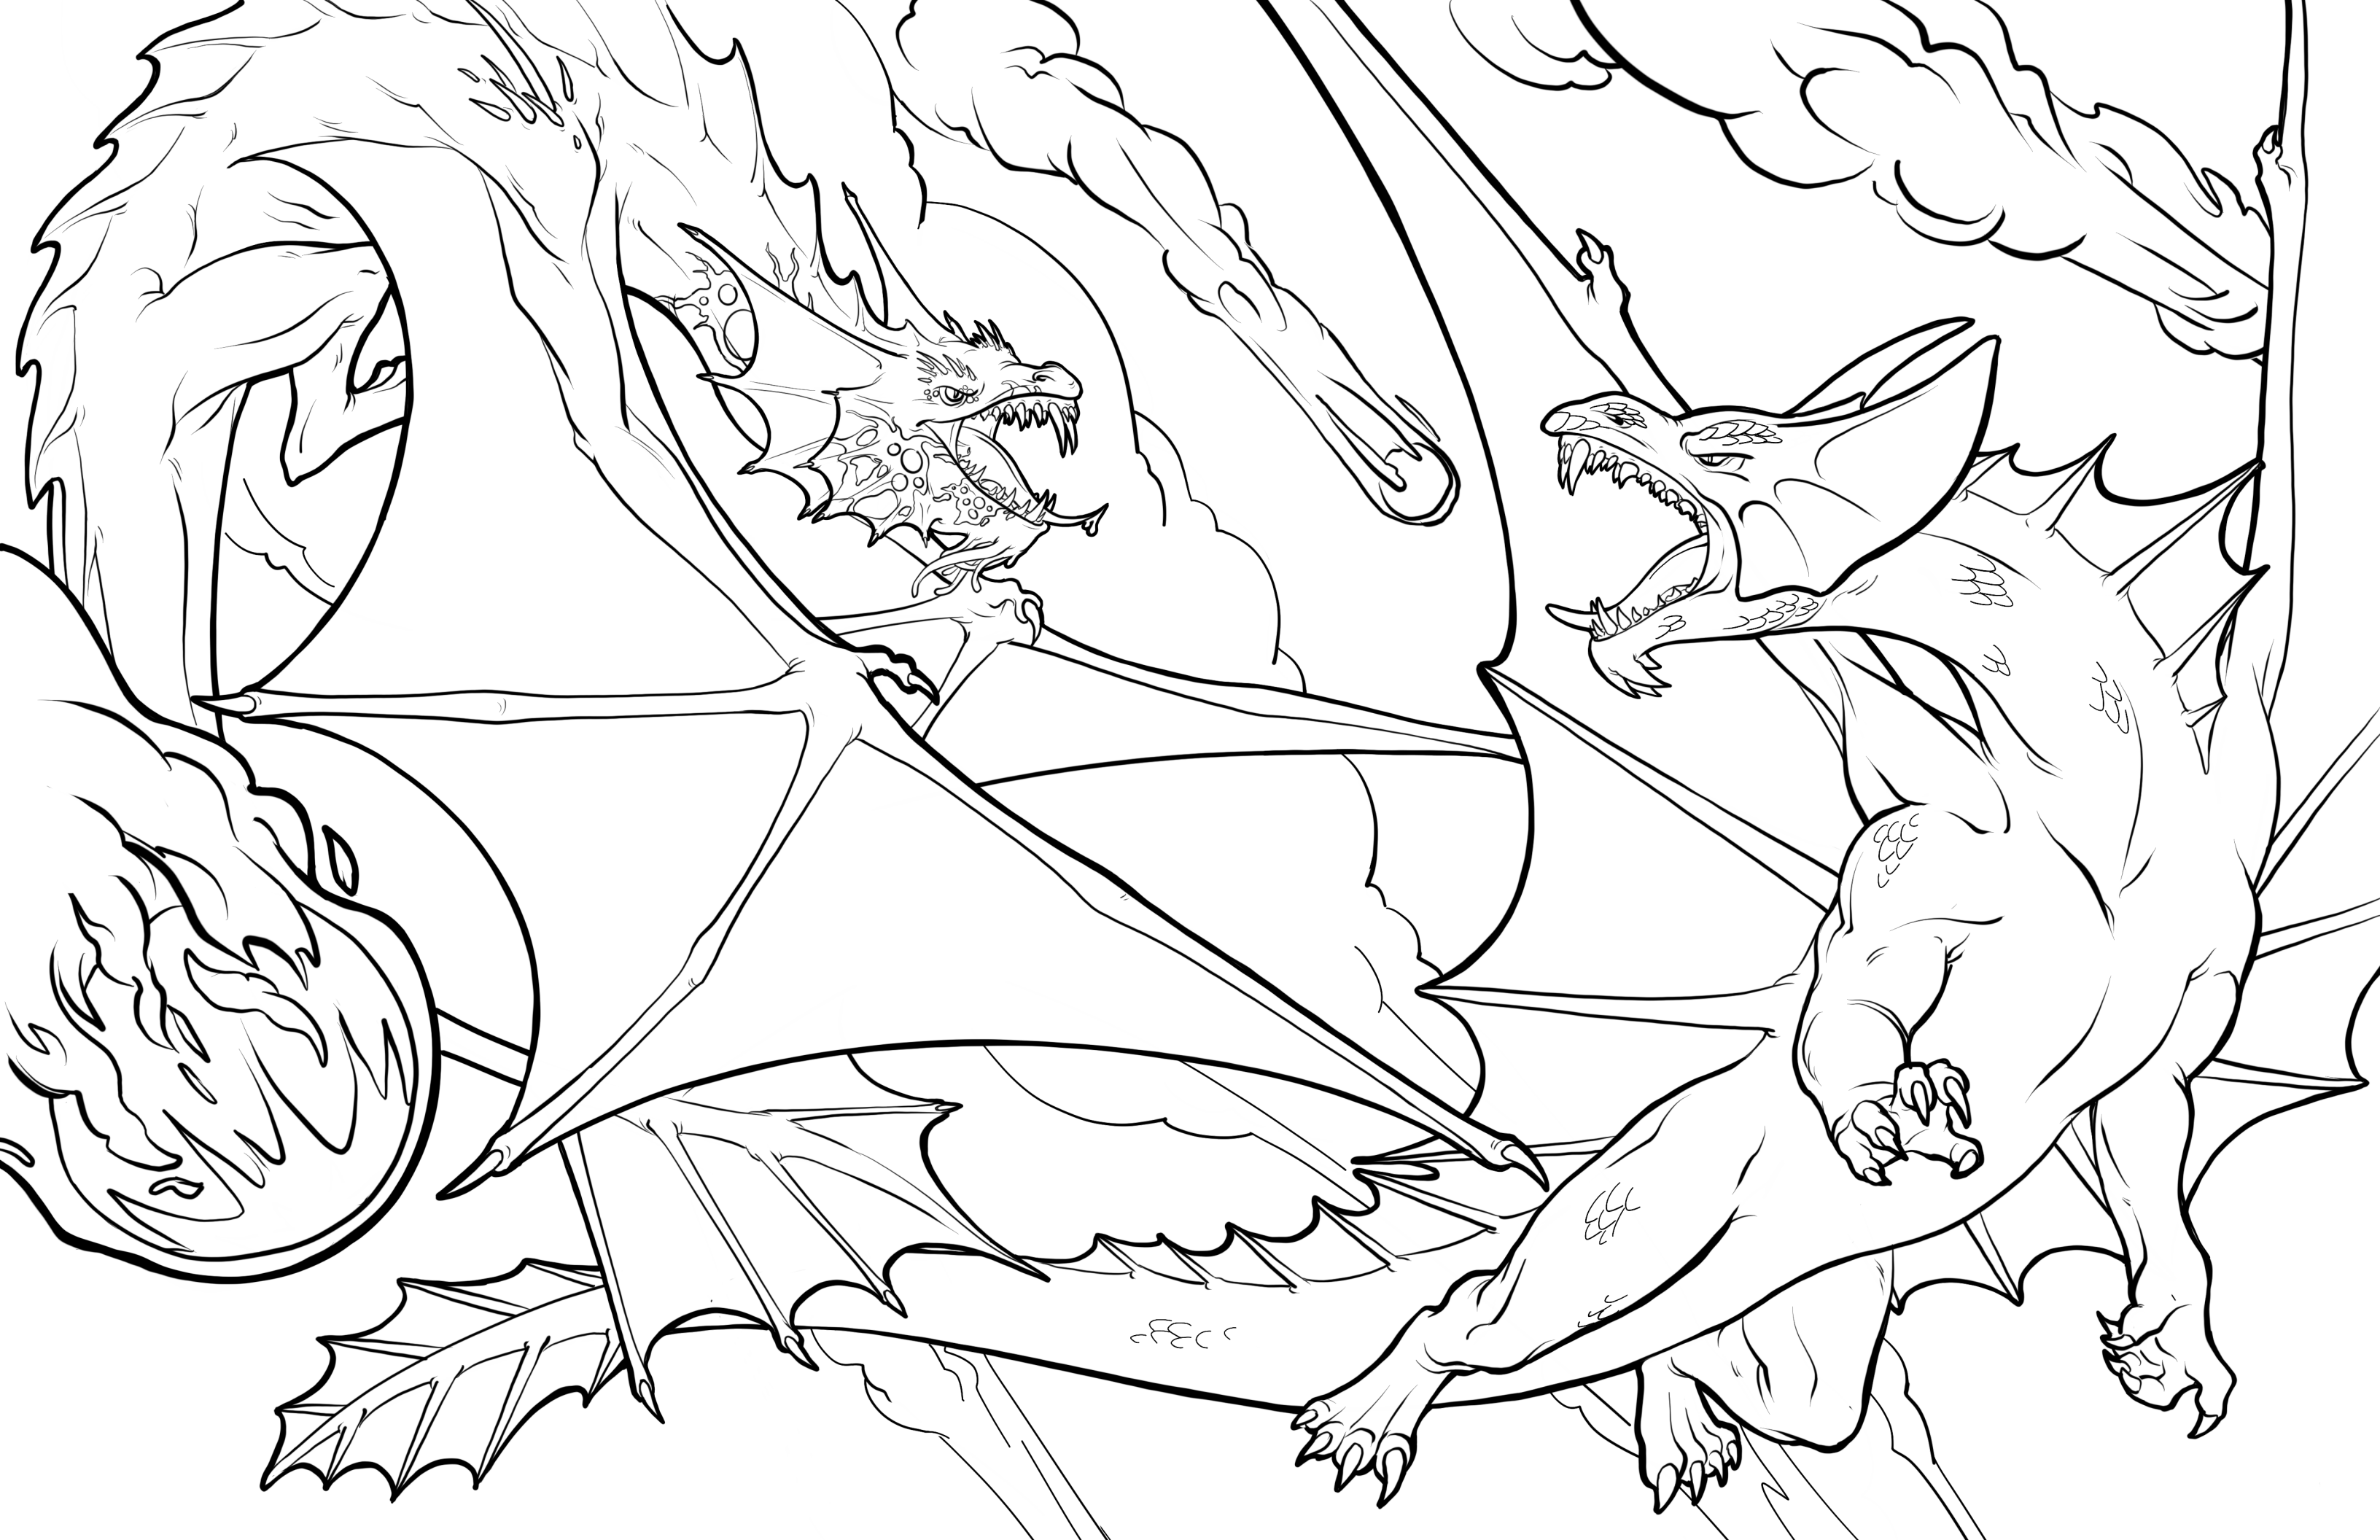

Percival de Rolo

—

"Do you have a female setting?"

Grog to Craven Edge

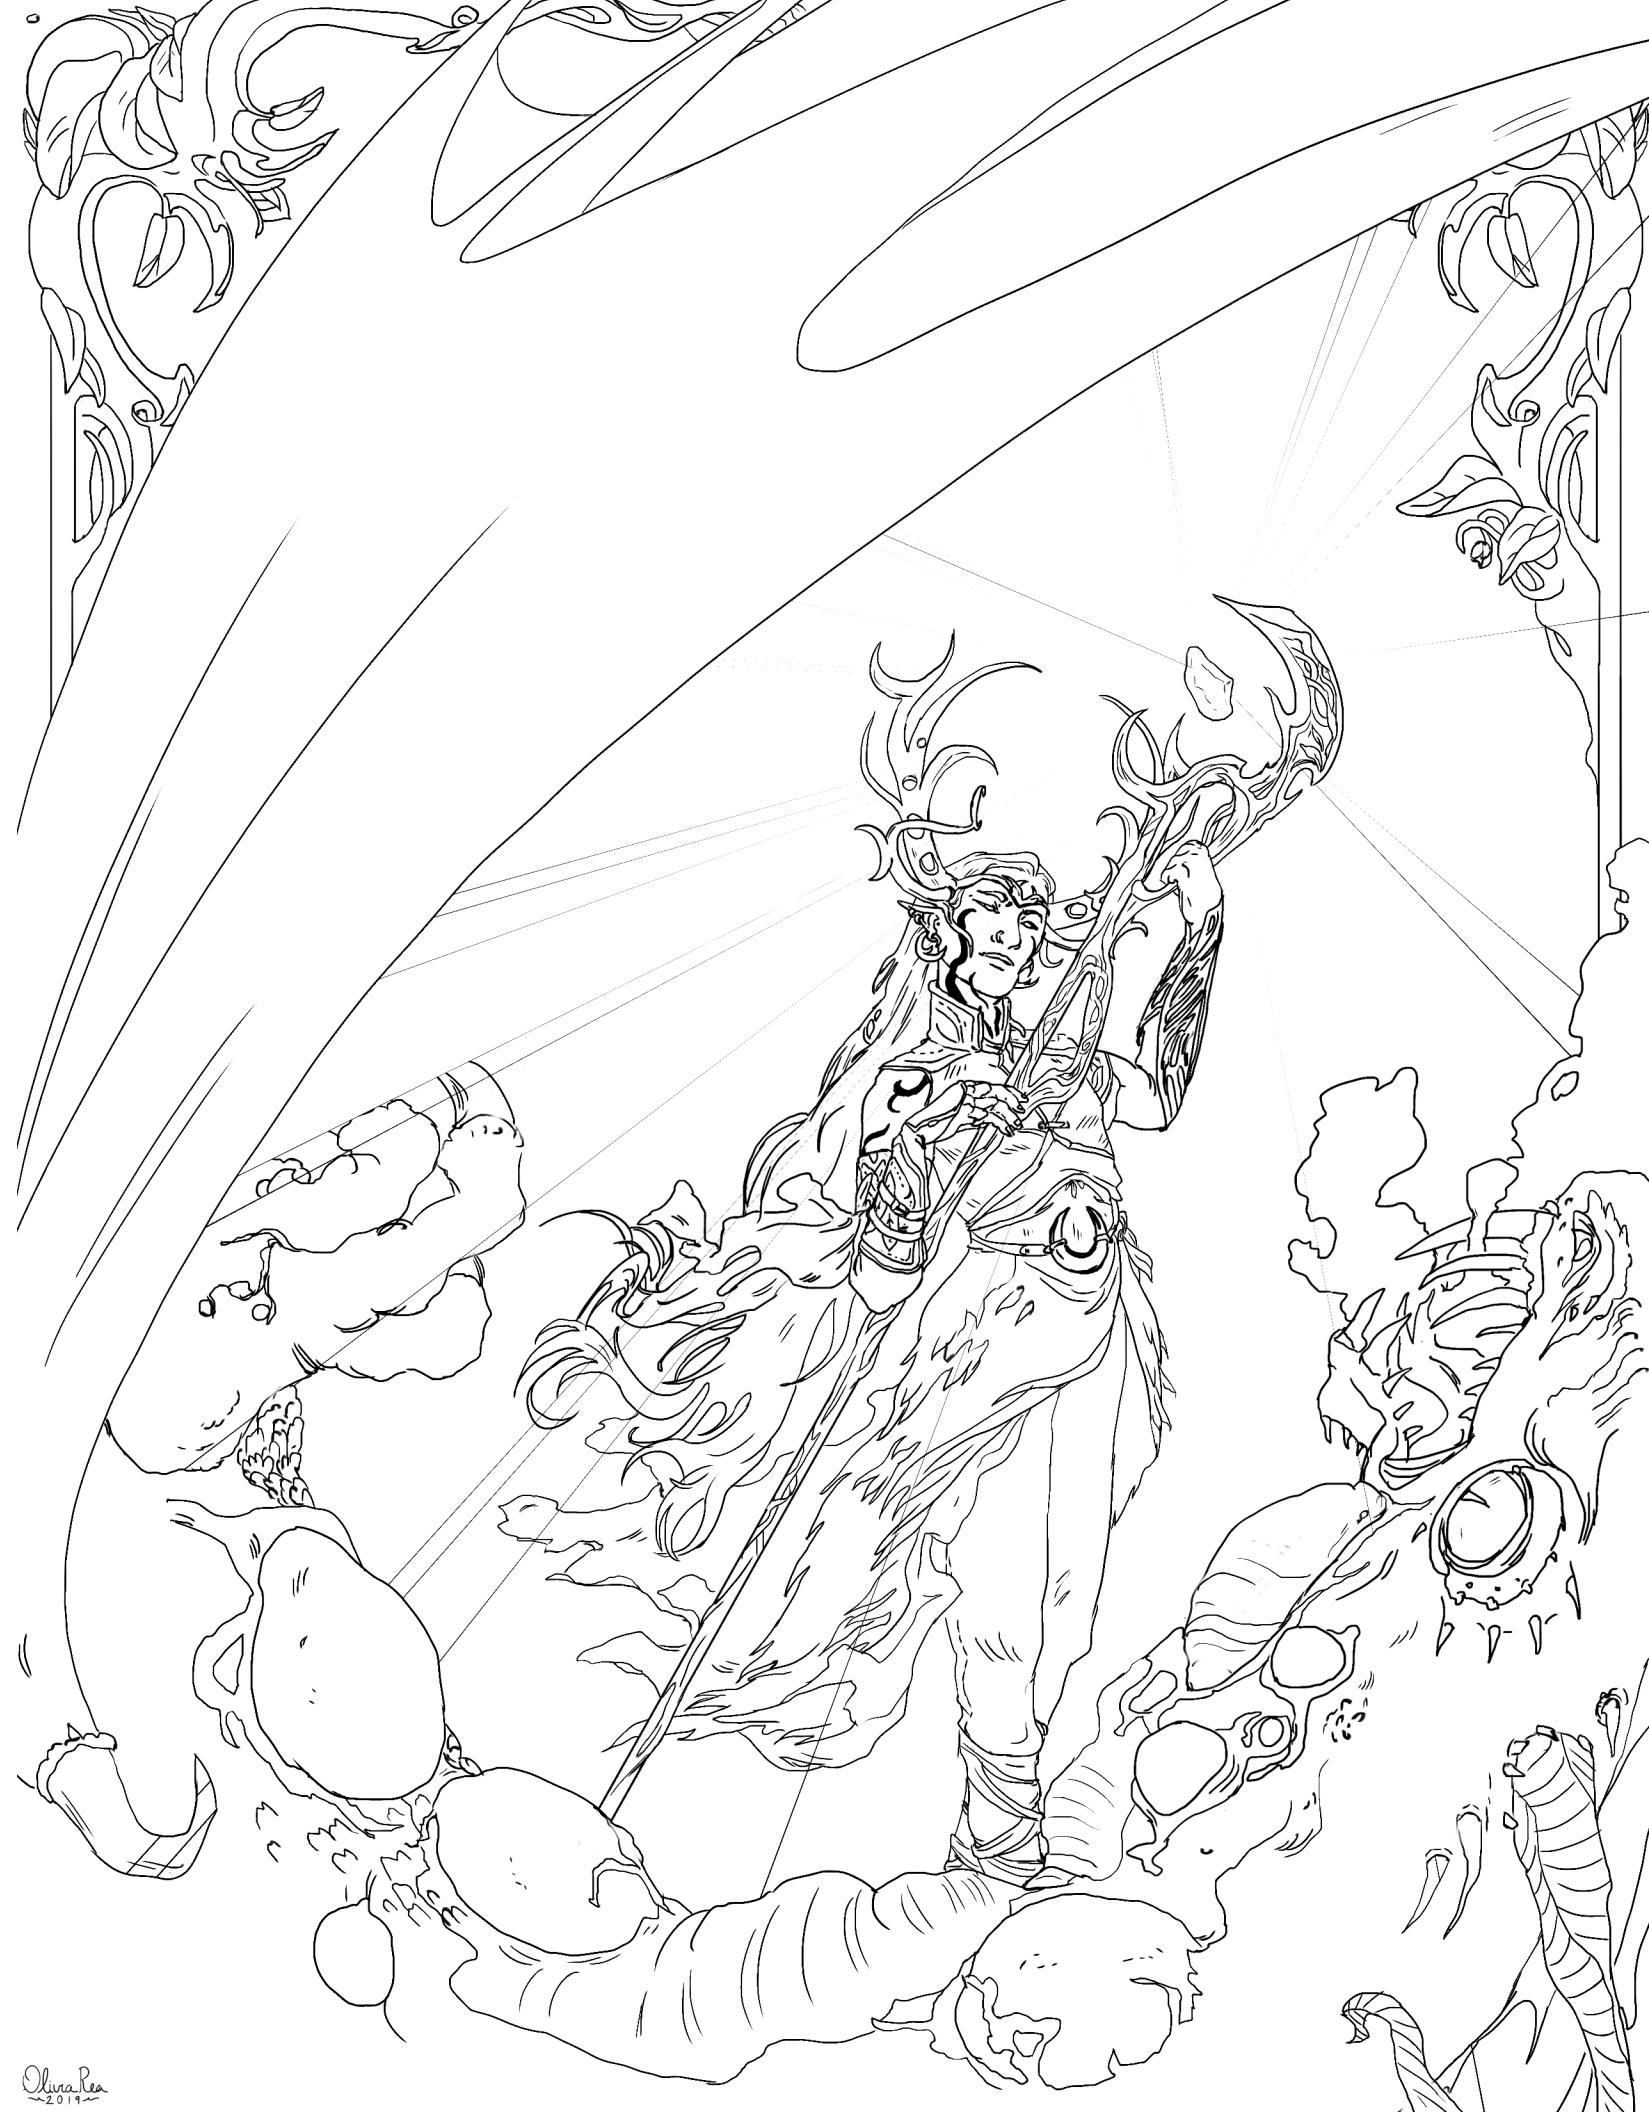

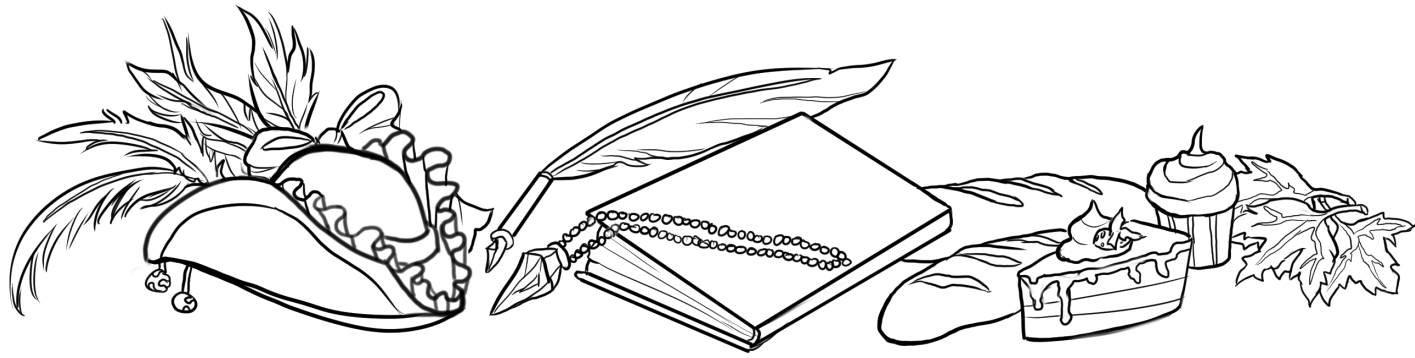

"Why won't you stay down and die with dignity?"

Raishan

"We don't do anything with dignity."

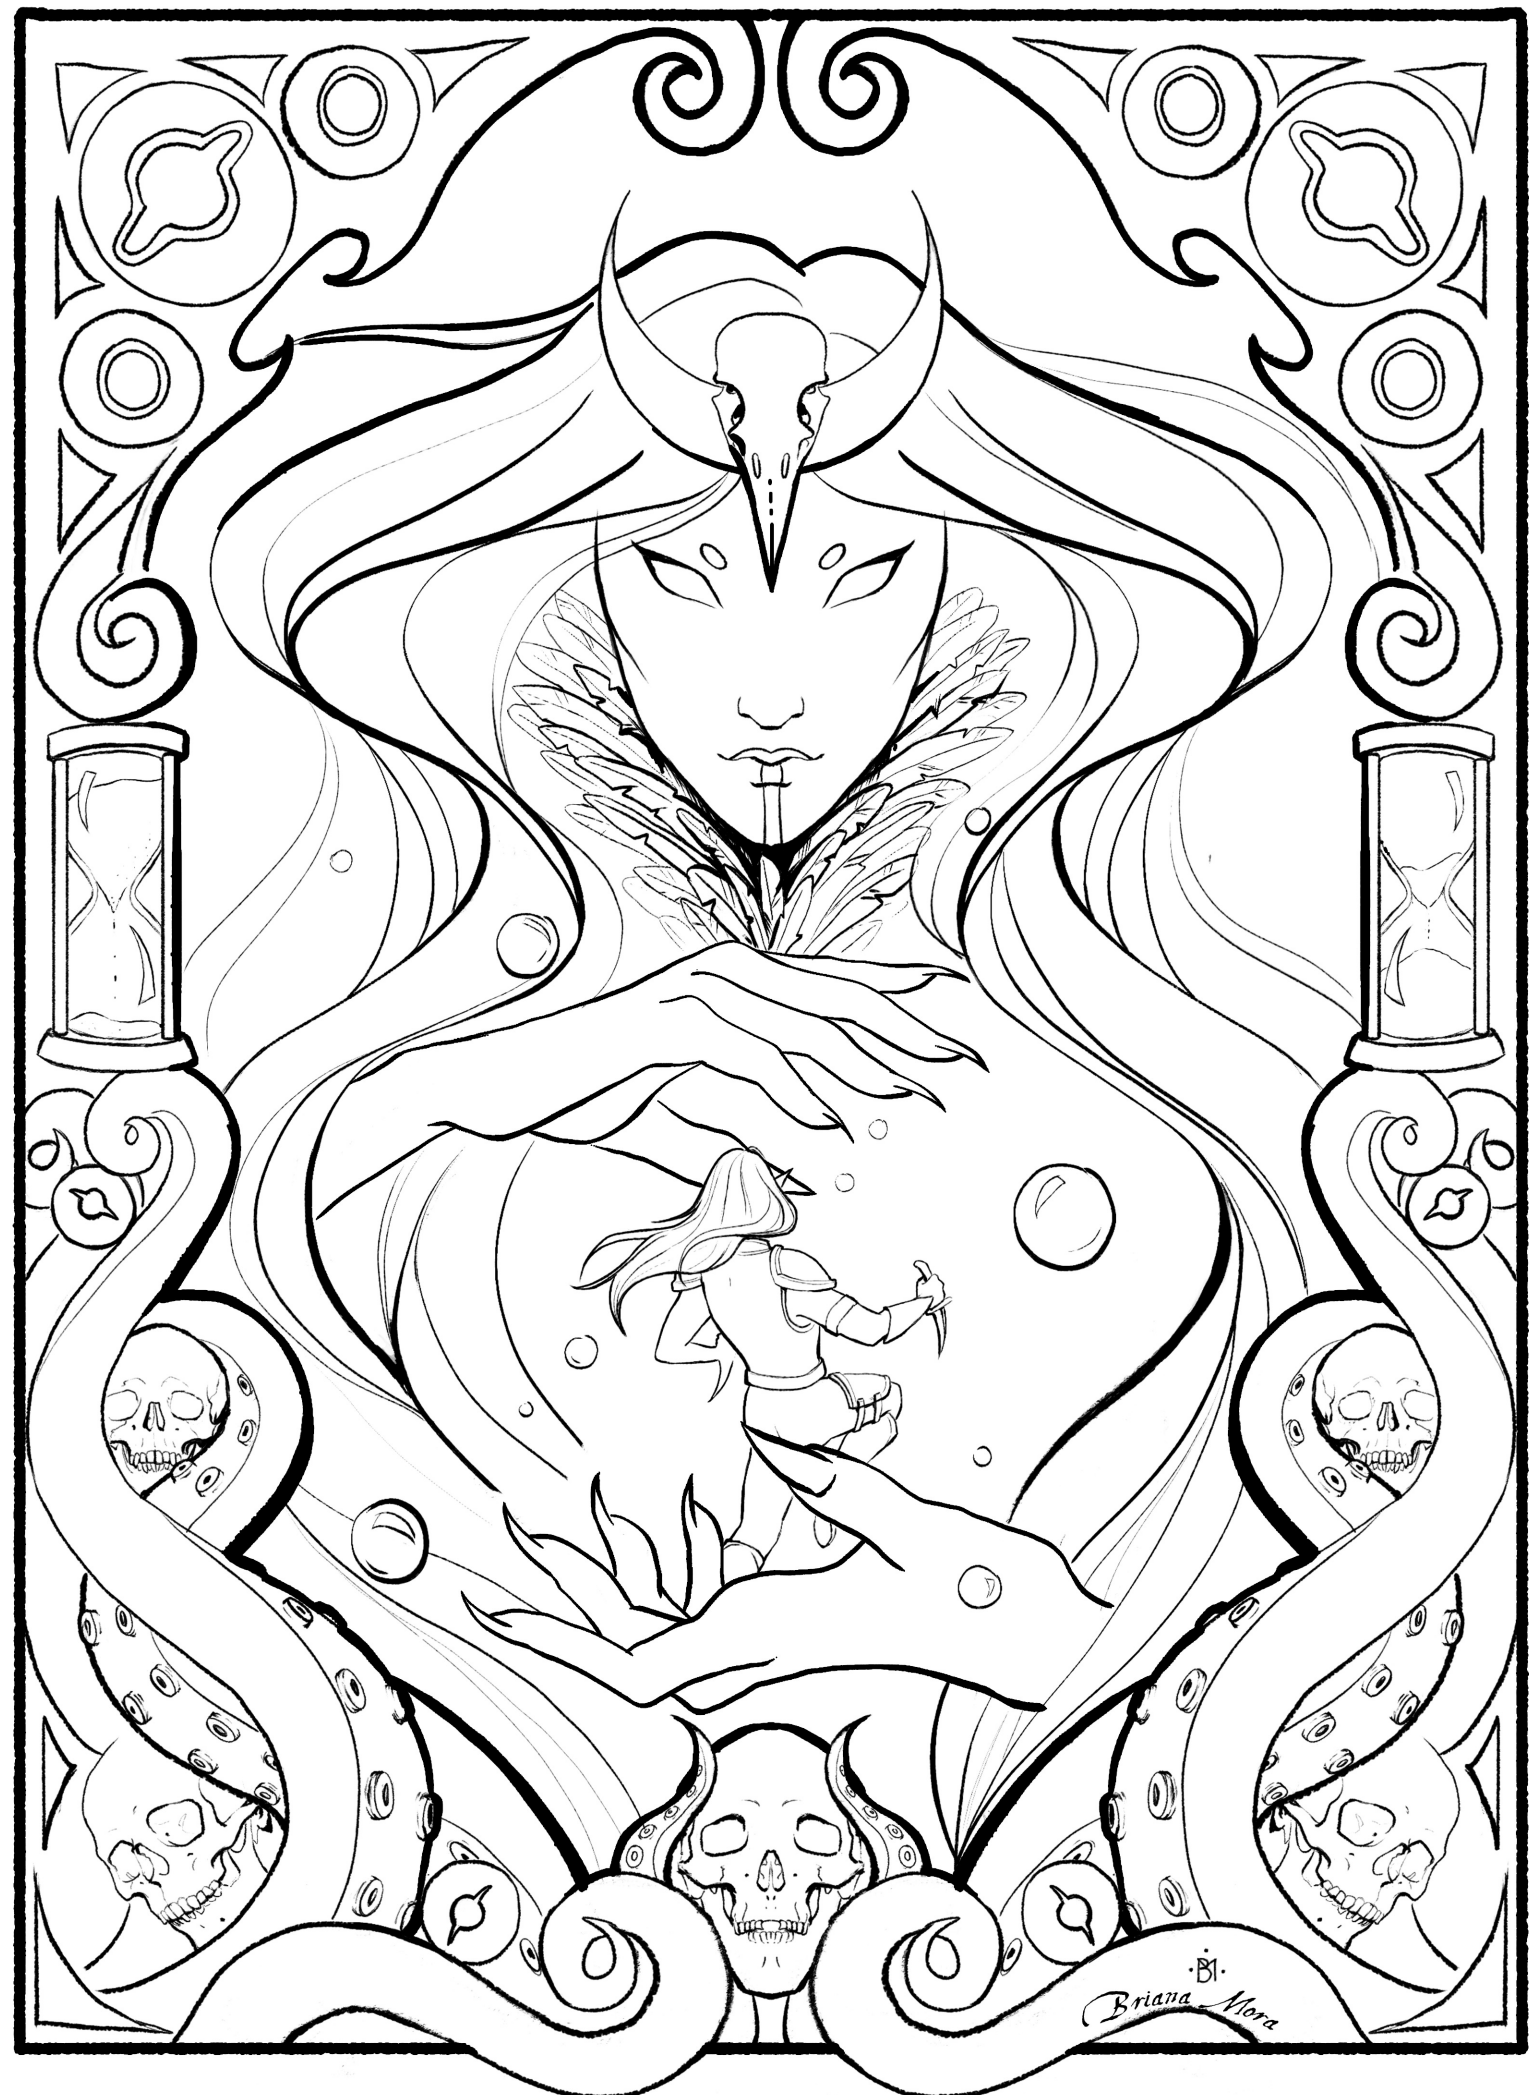

Vex'ahlia

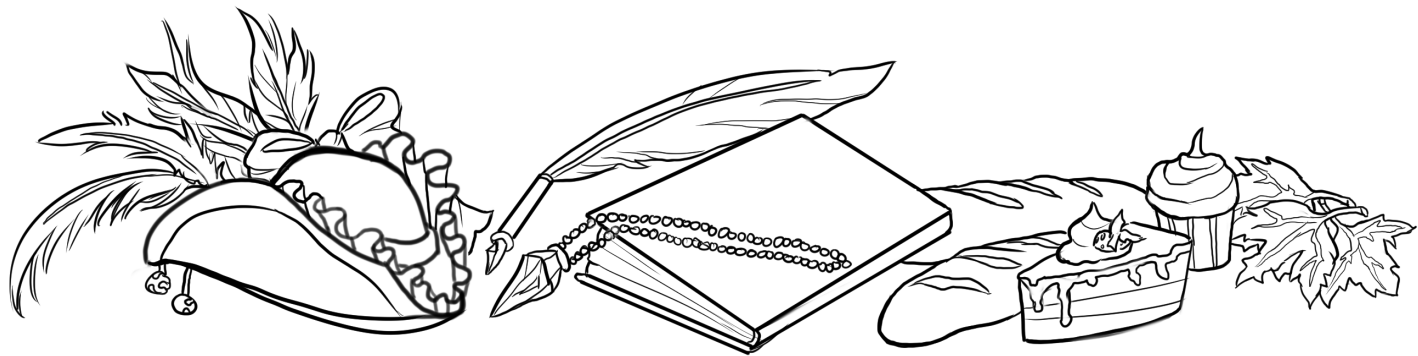

"What I offer you is the power to see this conflict through to its end. You will be briefly beyond the very grasp of death. And I will hold back any attempt to transition. You will be a bulwark of my power in cold flesh. Walking between heartbeats. Unstoppable..."

The Raven Queen

**"Taryon Darrington. You may have heard of me.
Friend's call me Tary."**

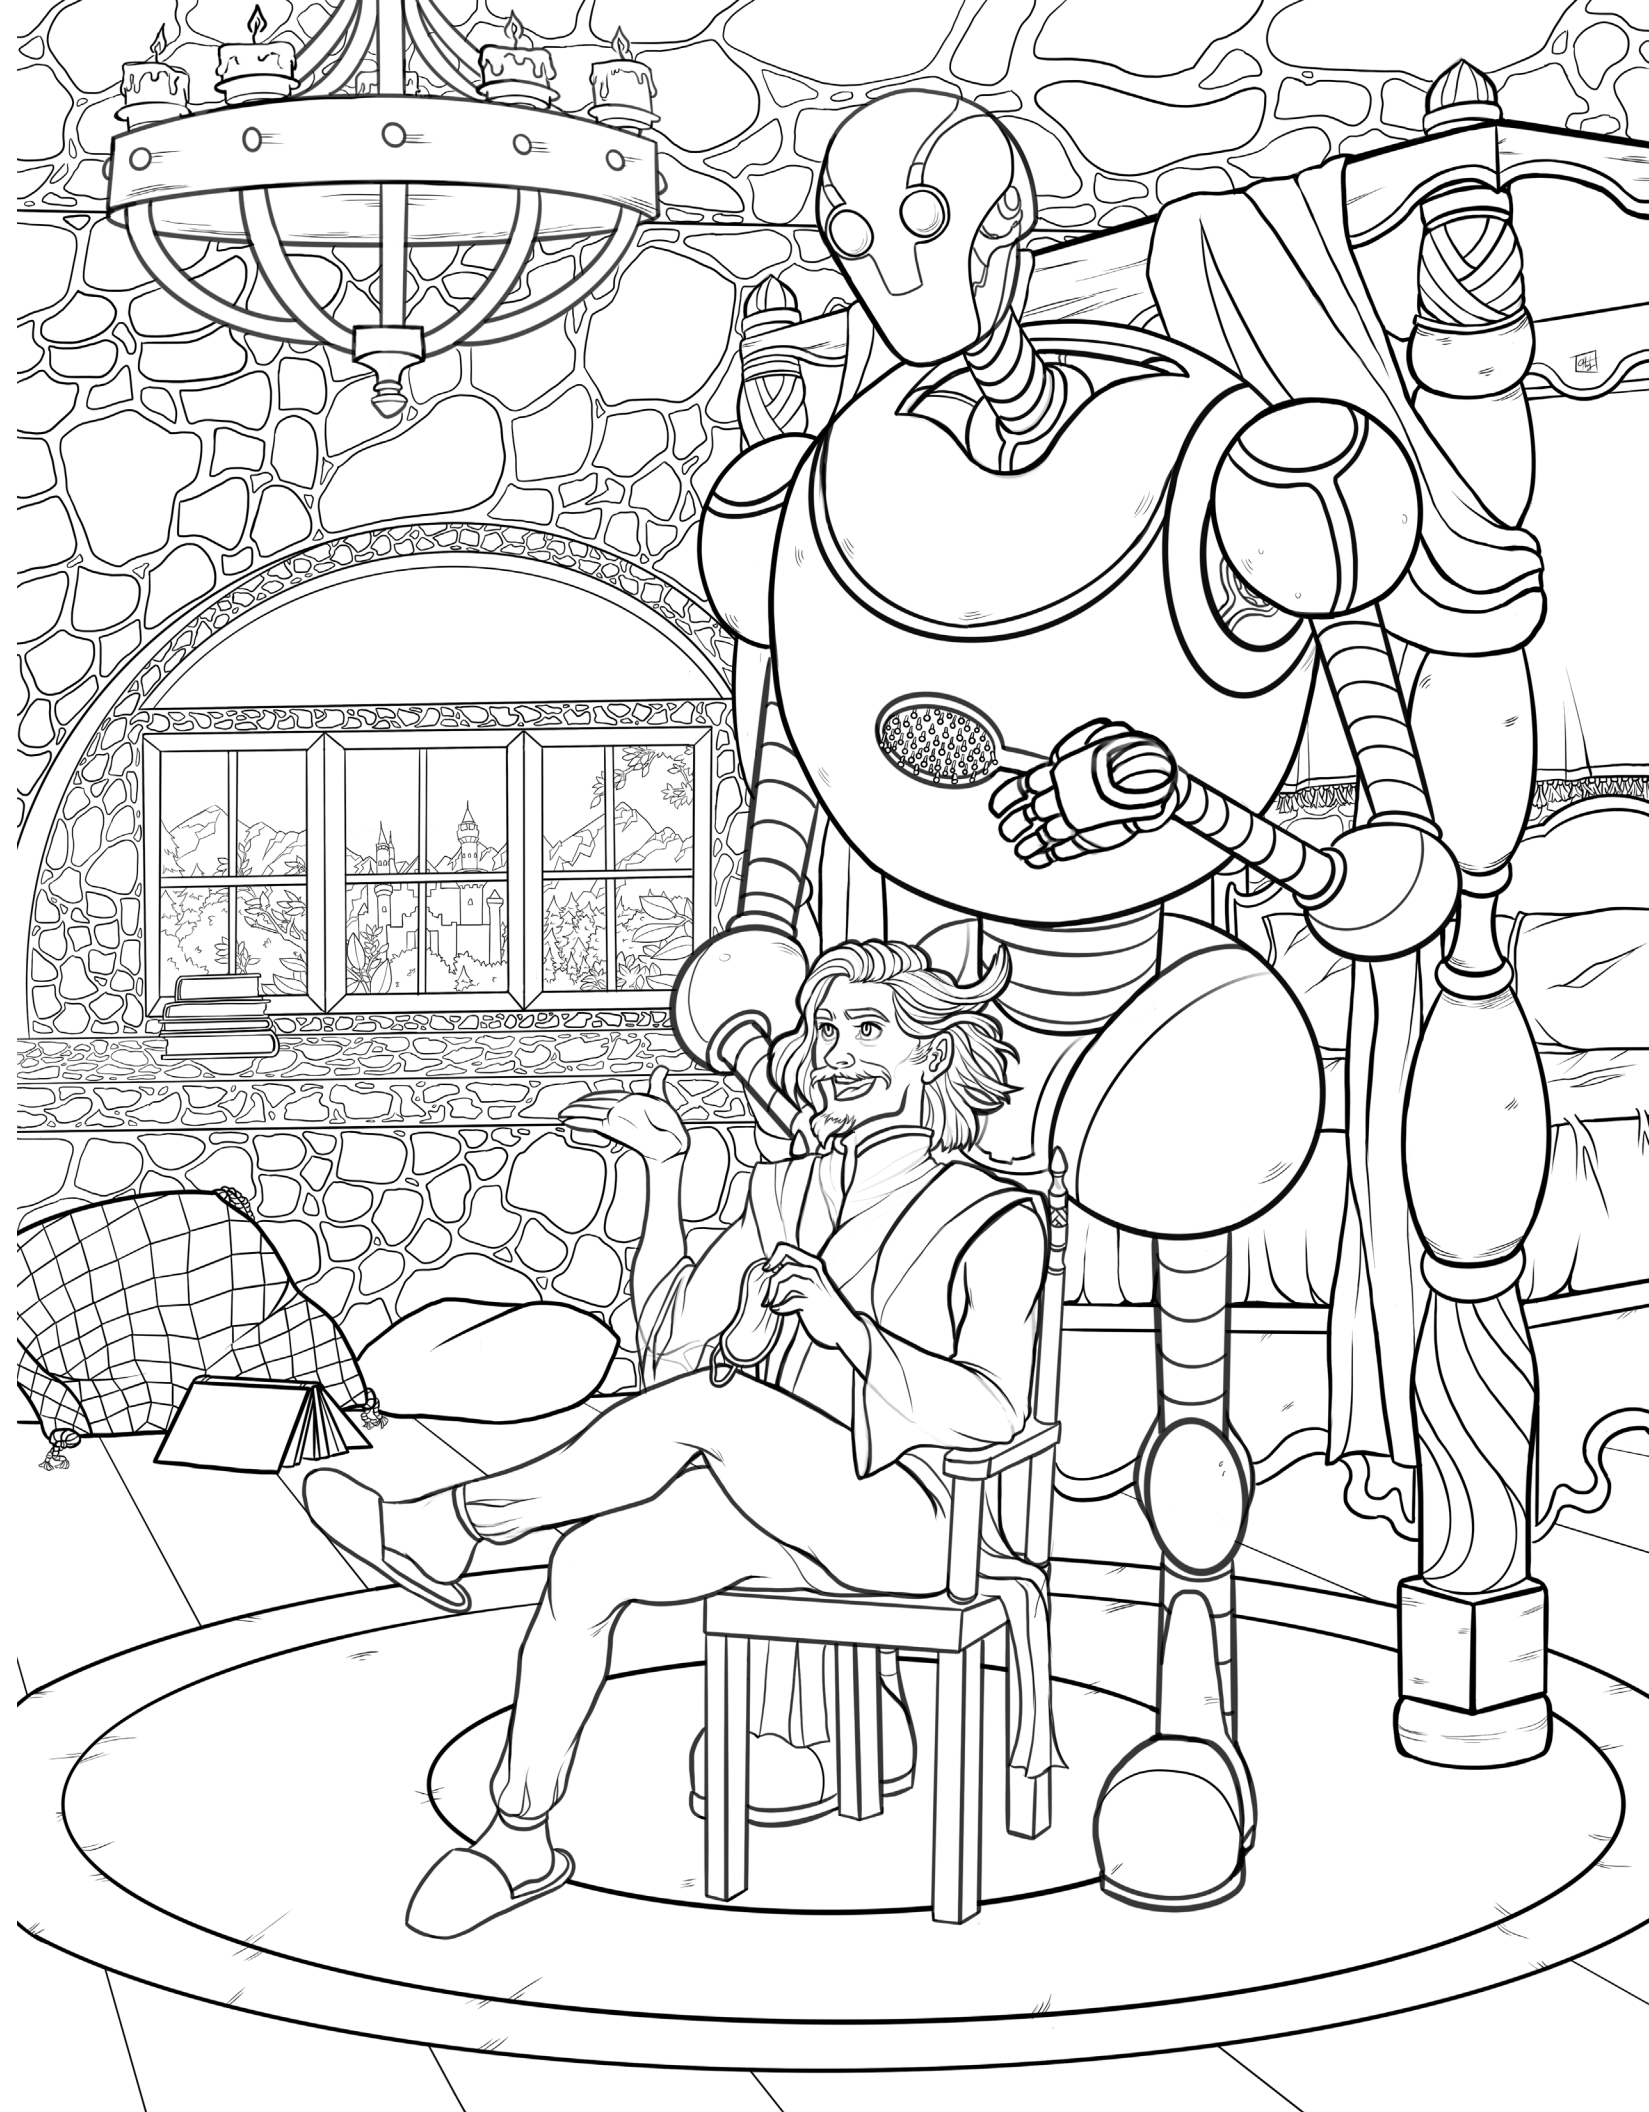

Taryon Darrington

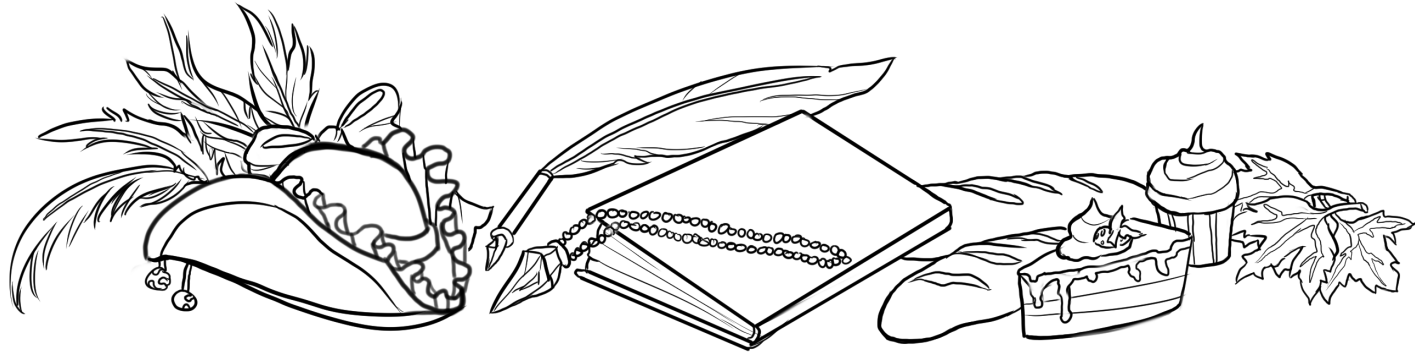

"No."

Treev

"Well, you will once my book comes out."

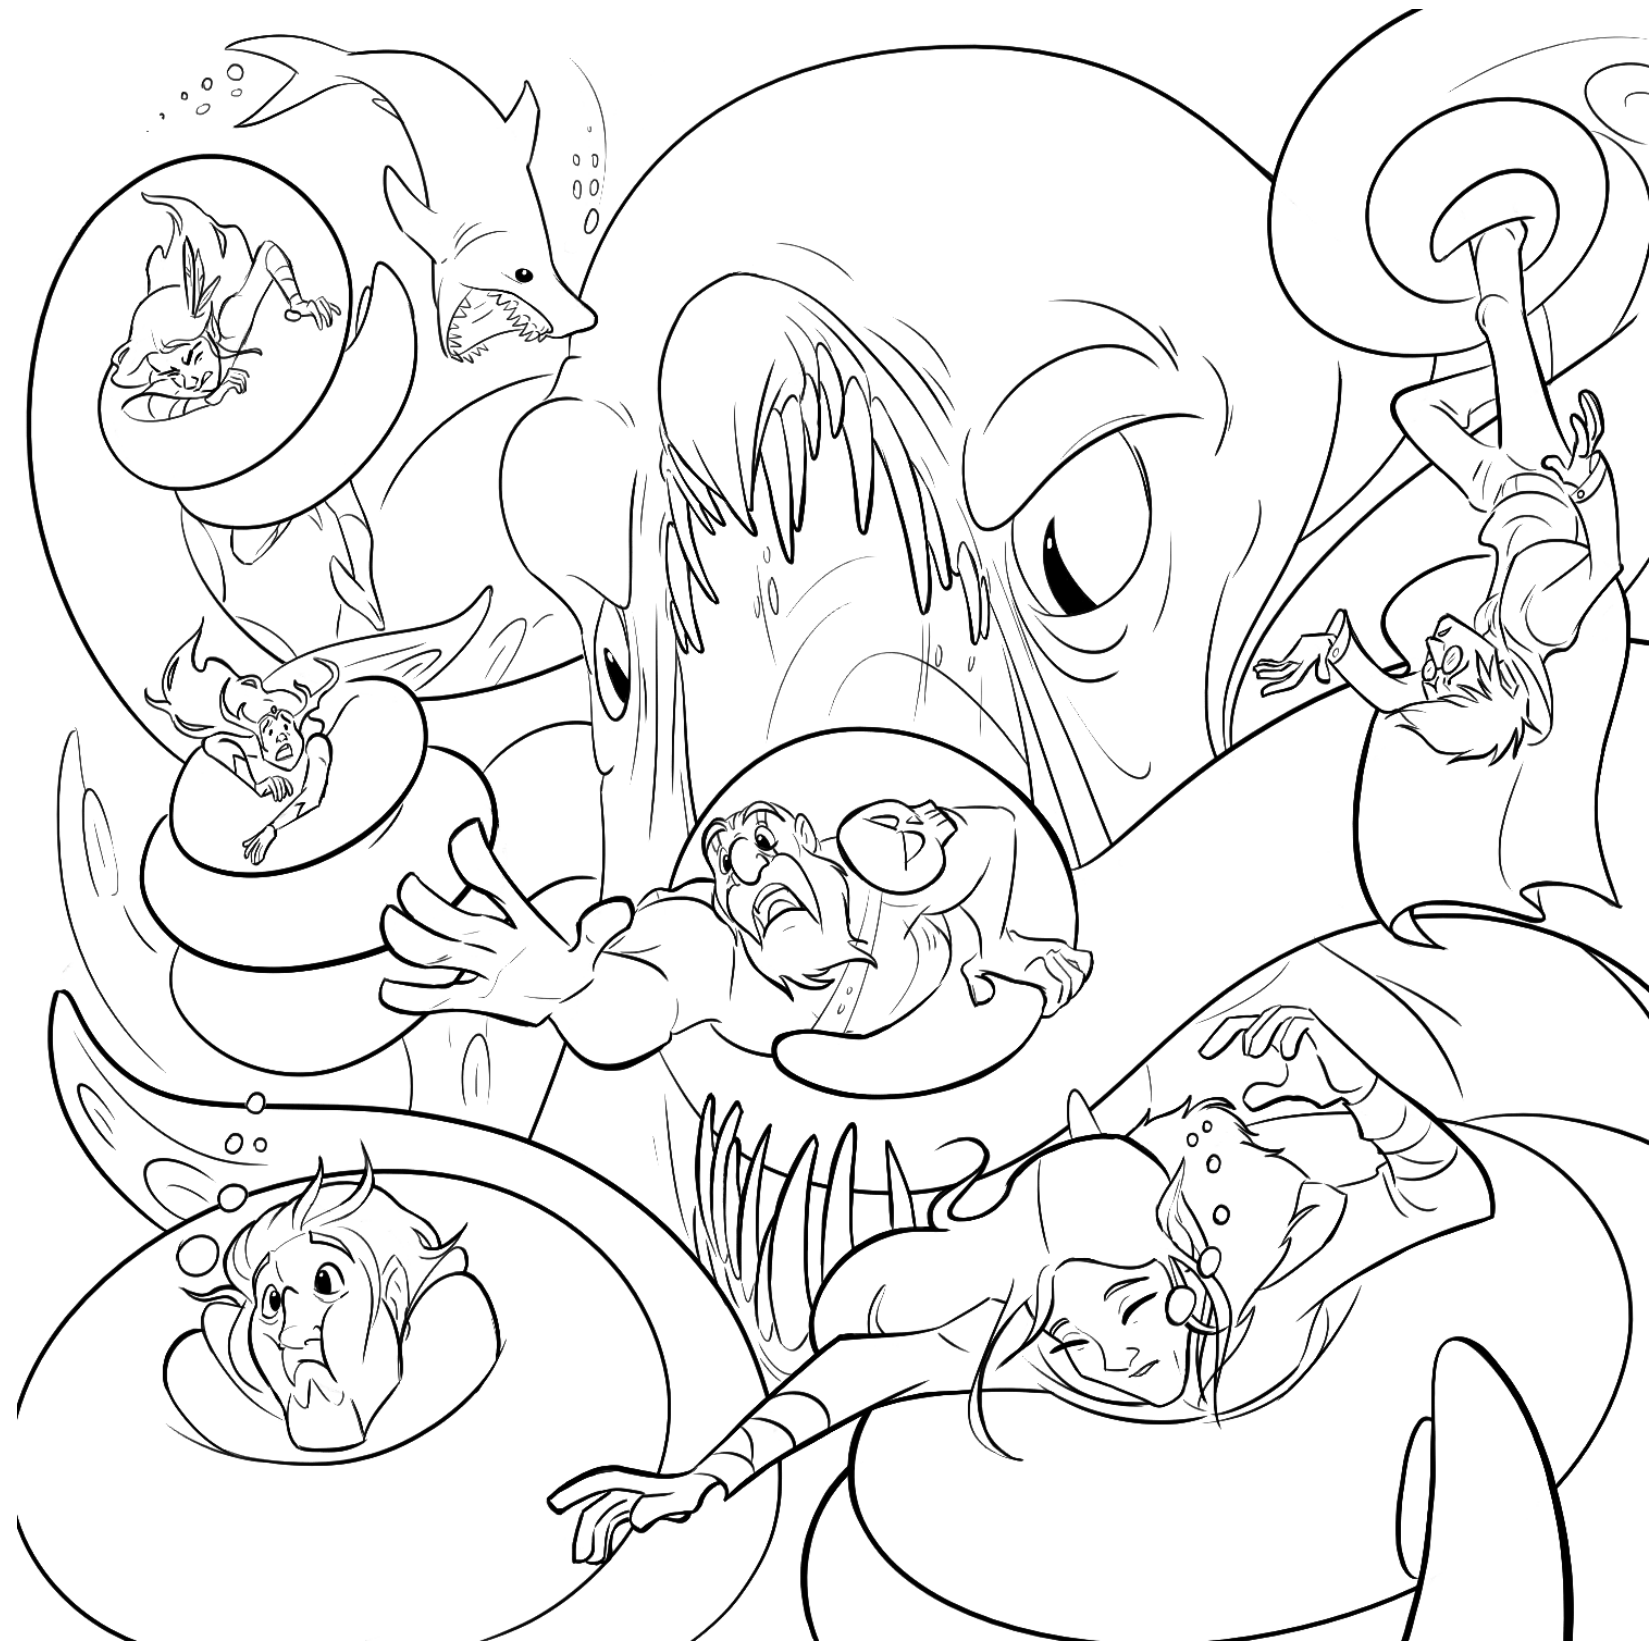

Taryon Darrington

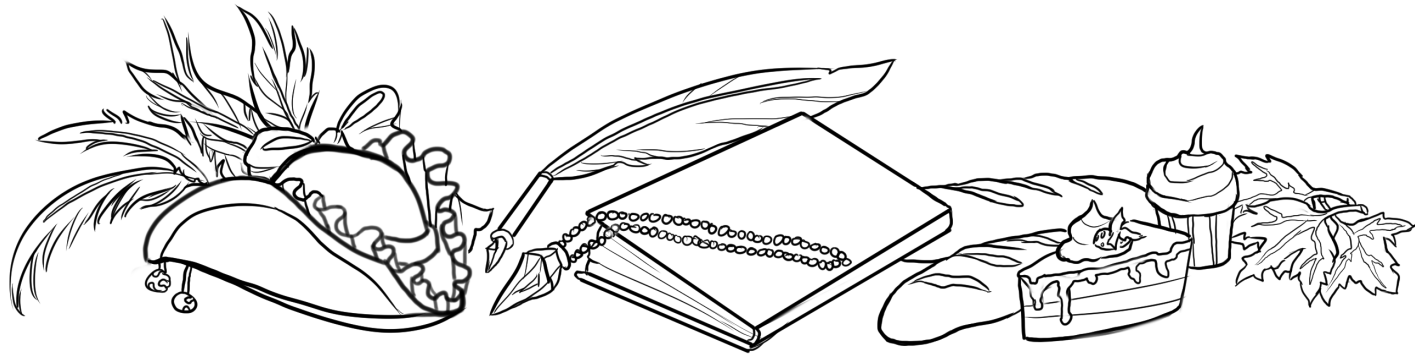

**"It's weird, once you reach a life goal, and then realise...
you have the rest of your life. I guess I just find new
goals. Sometimes it's hard being a prodigy. Because
then you just grow up to be... a regular adult."**

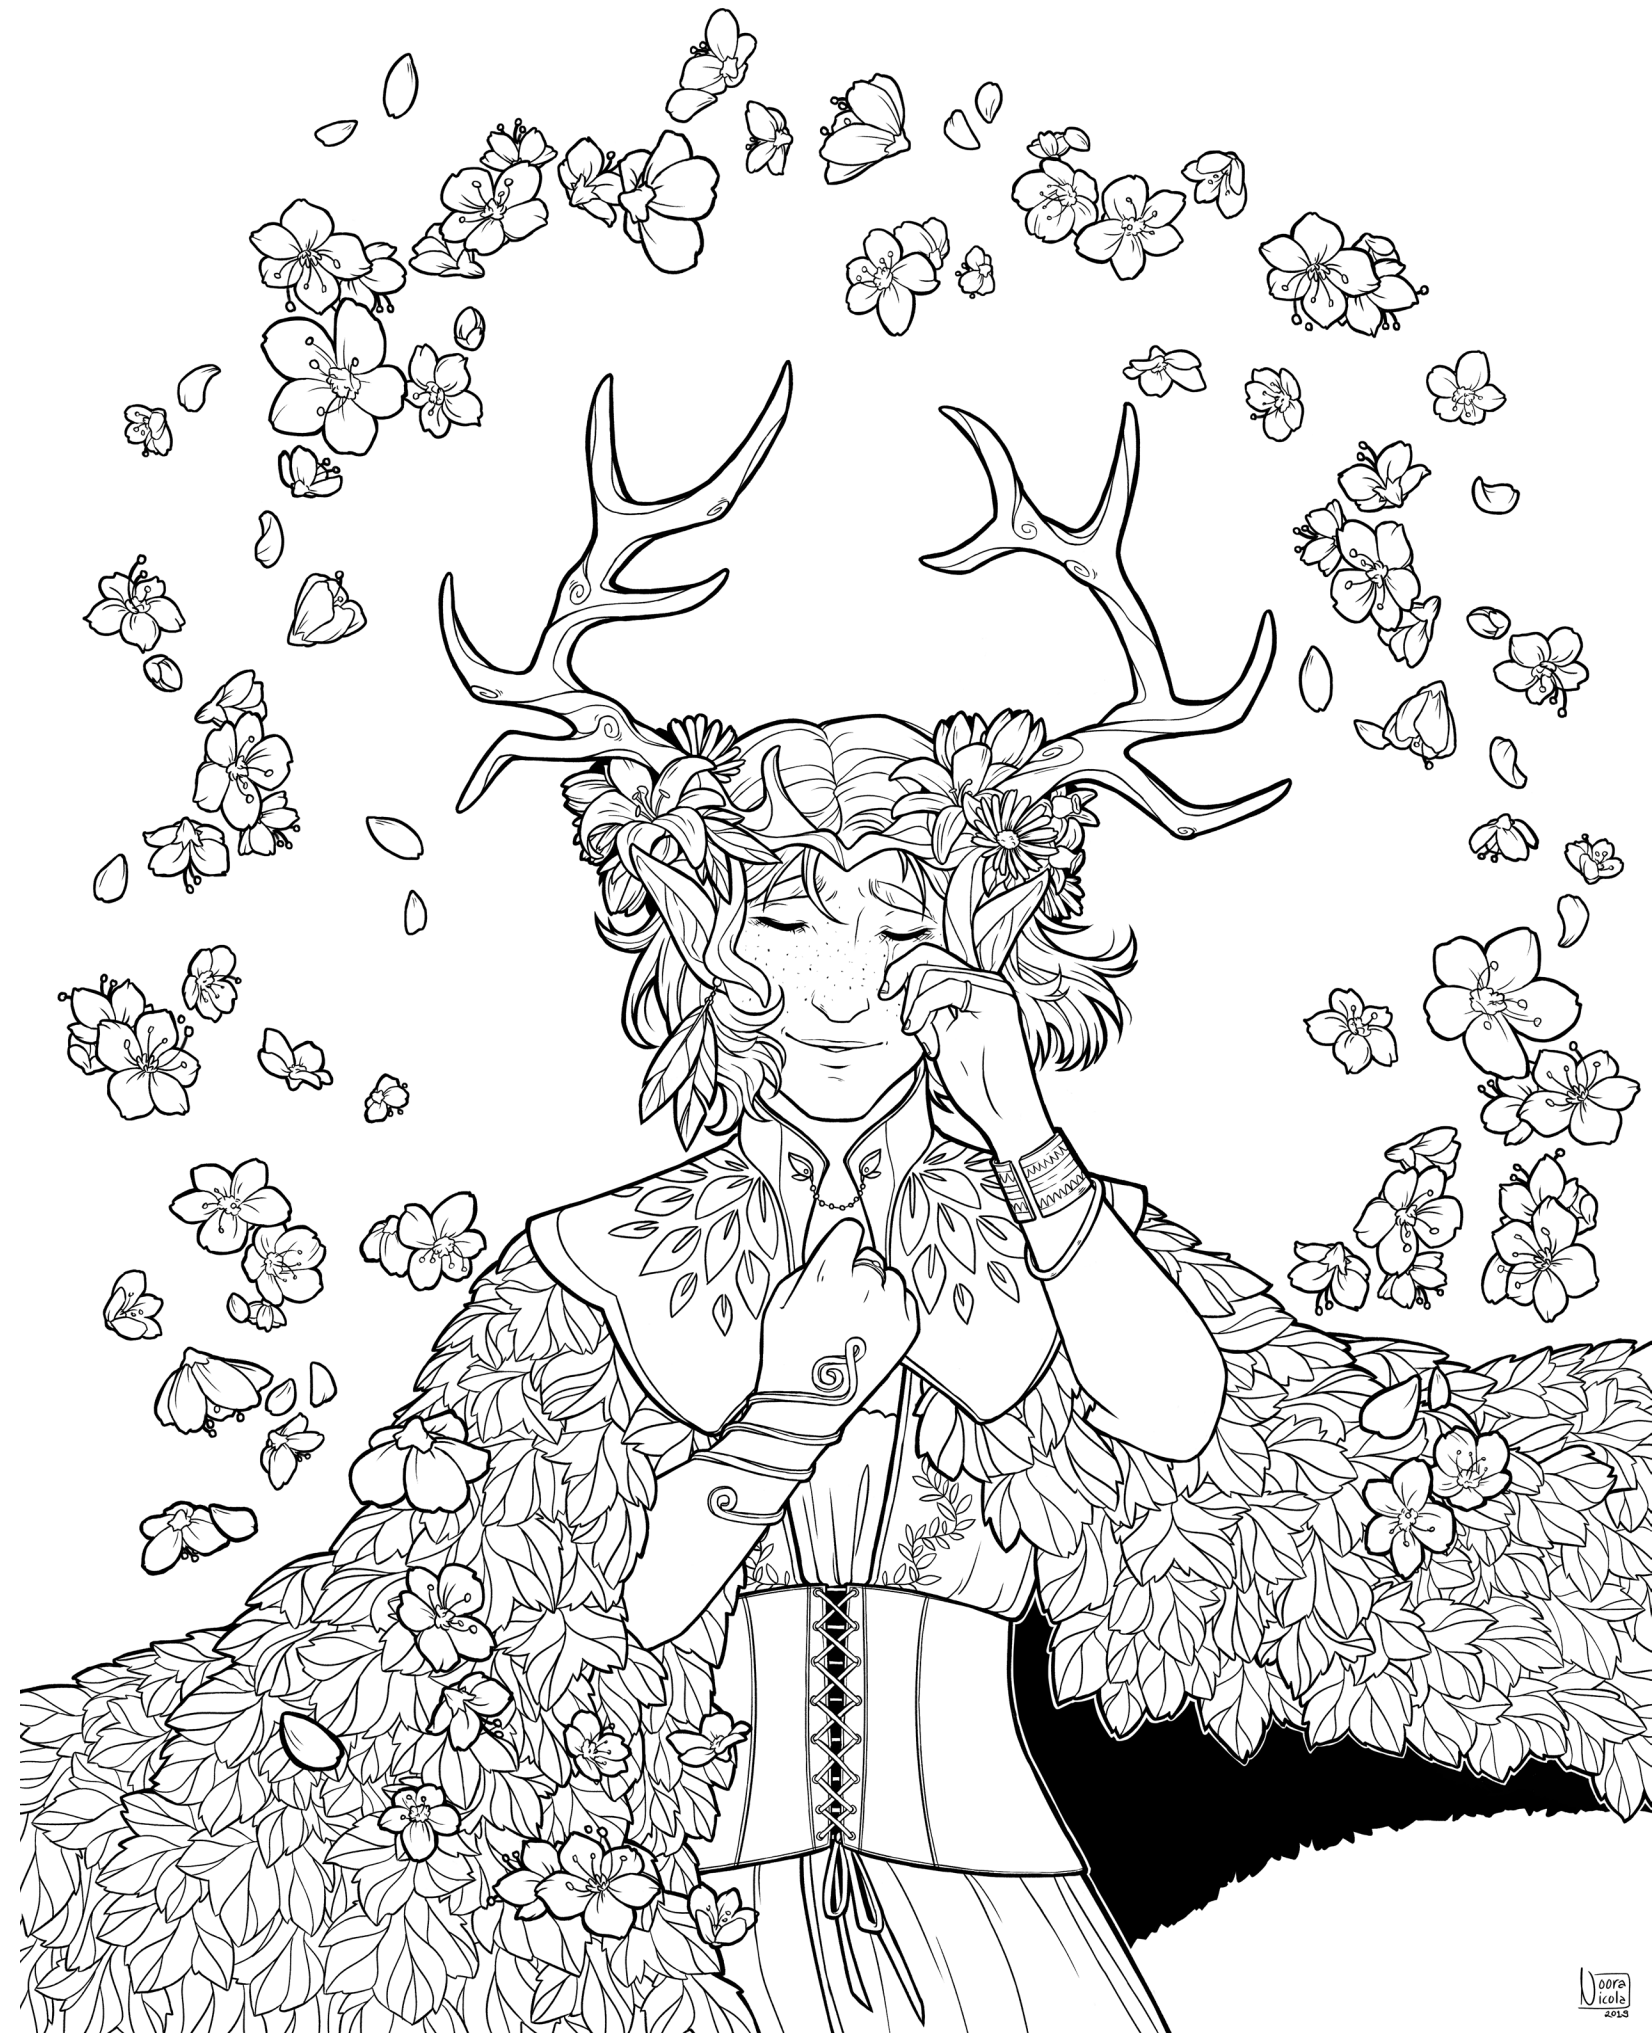

Keyleth

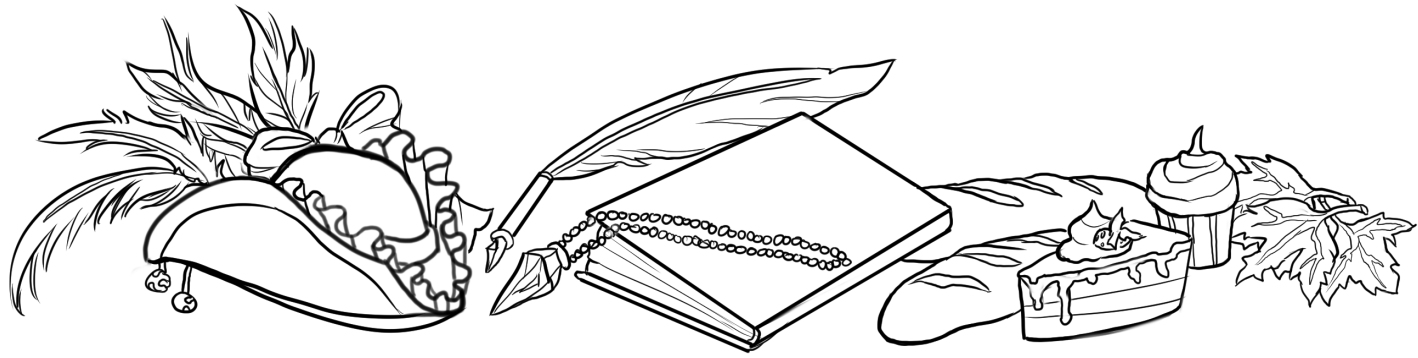

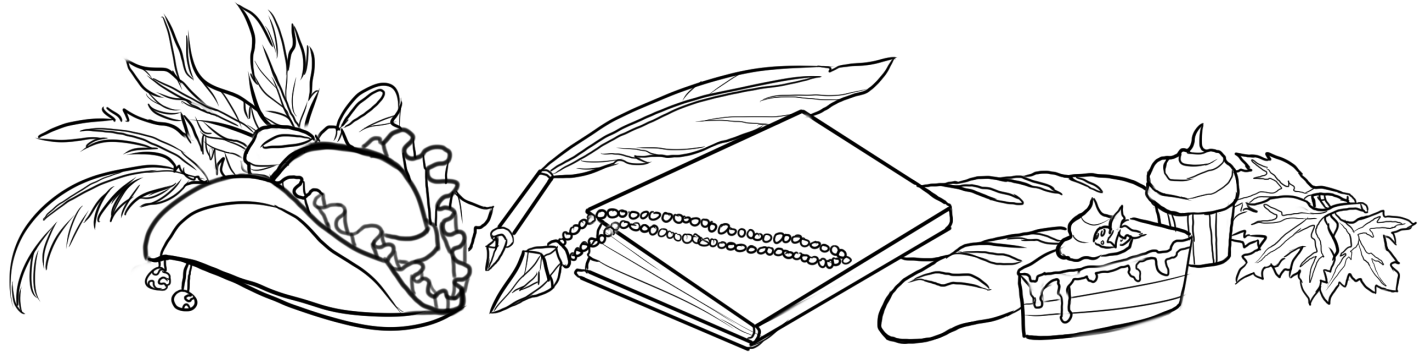

**"Rise, my daughter, and become
Keyleth, Voice of the Tempest."**

Korrin

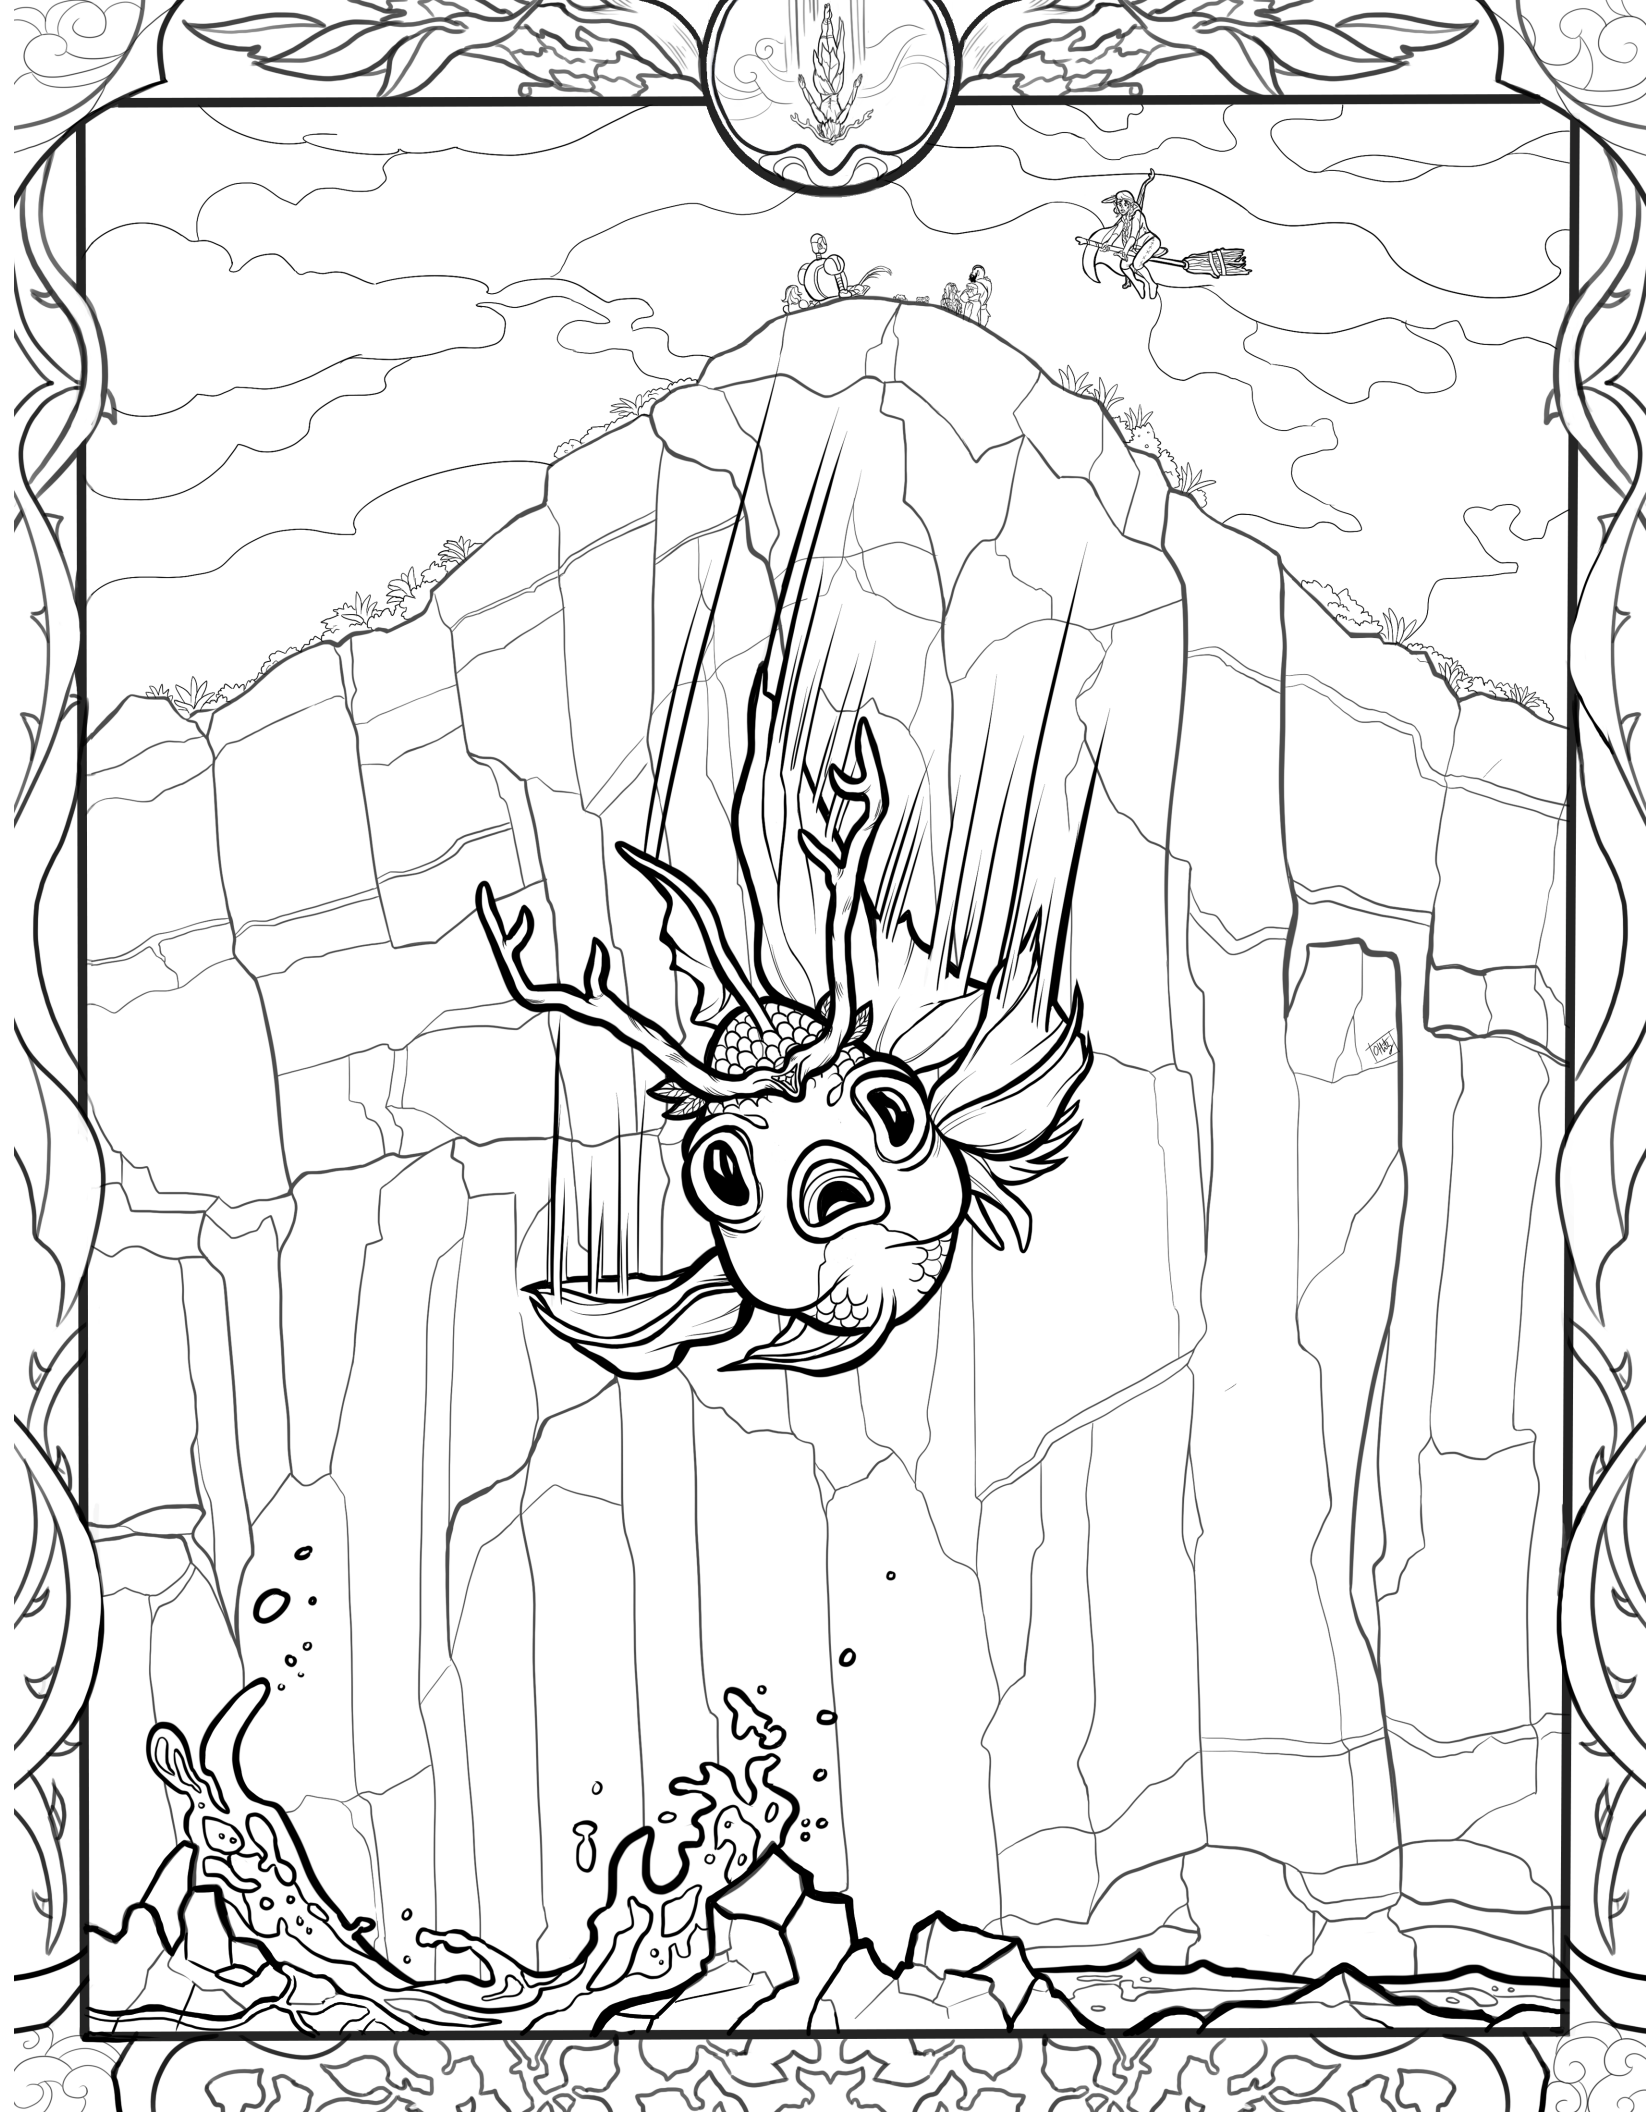

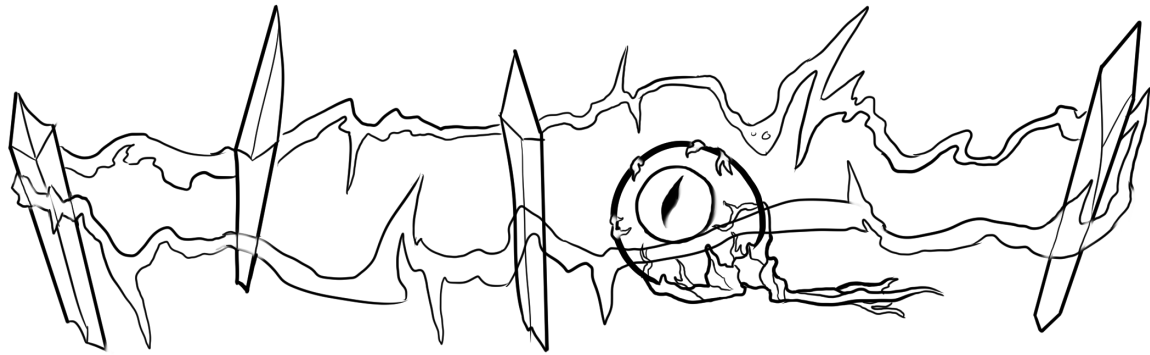

"Science-bro stuff."
Percival & Taryon

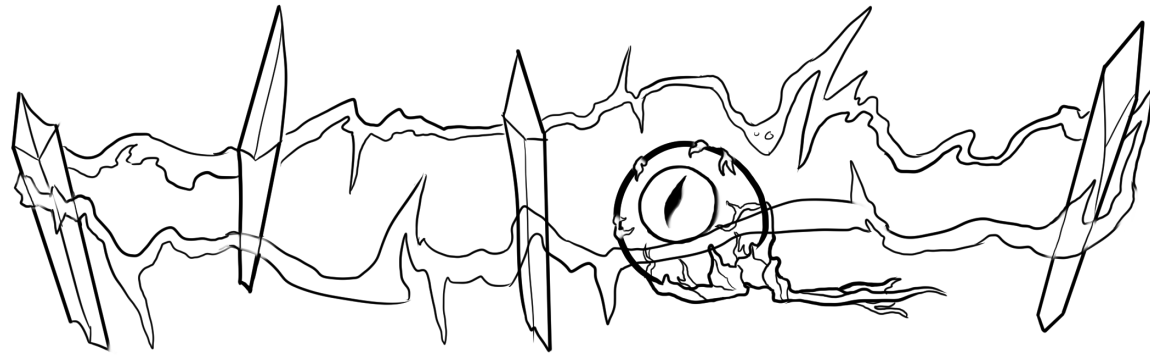

"It's fine. We're gods."
Keyleth

**"She is Mistress of the Grey Hunt of Whitestone,
Baroness of the first house of Whitestone... She is my
heart, and my judgement... and the future that I have
chosen. She is the one that I am betrothed to."**

Percival de Rolo

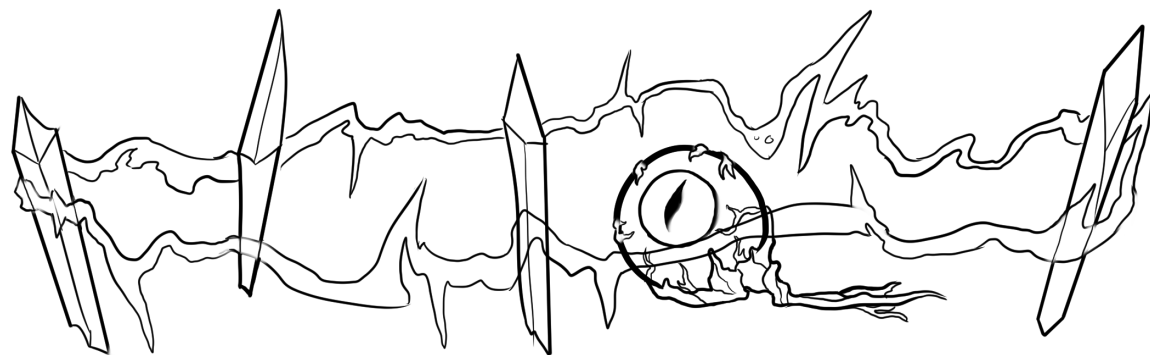

**"My Pike... you have done more than you know.
You've been a guiding light for these wonderful champions.
And so many more."**

Saranrae

**"I have no idea what's about to happen... but
it's been a great pleasure to walk beside each
and every one of you."**

Vax'ildan

"Don't do this!"

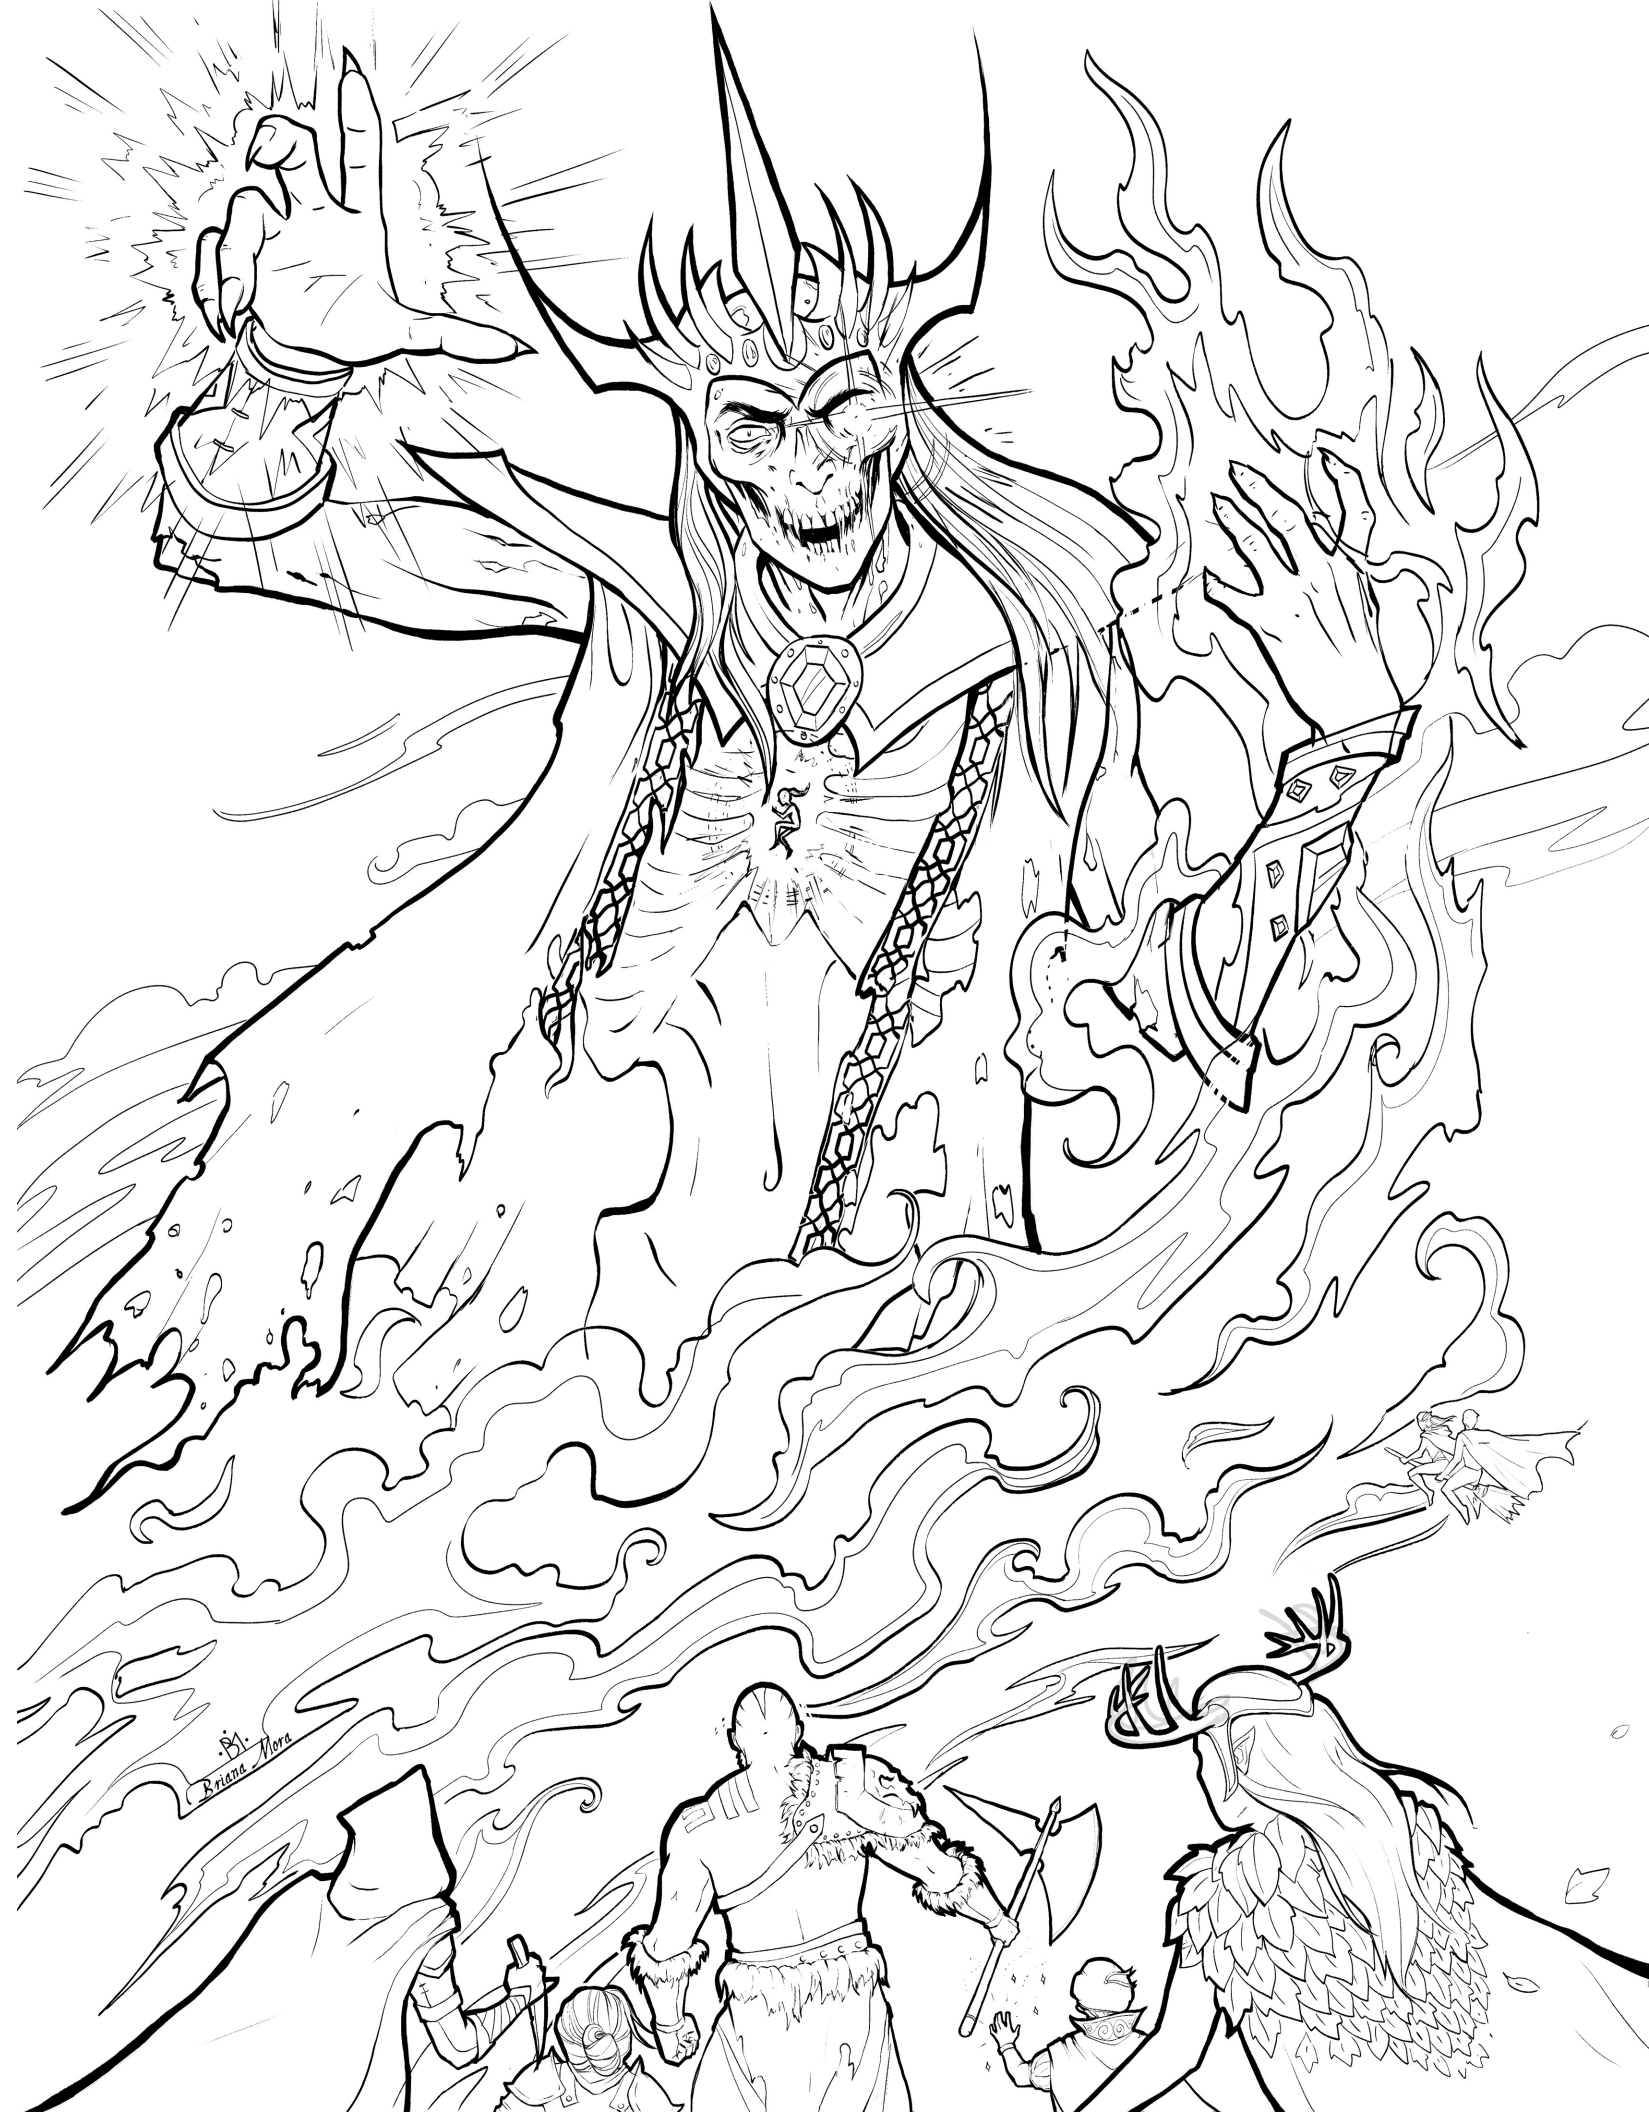

Vex'ahlia

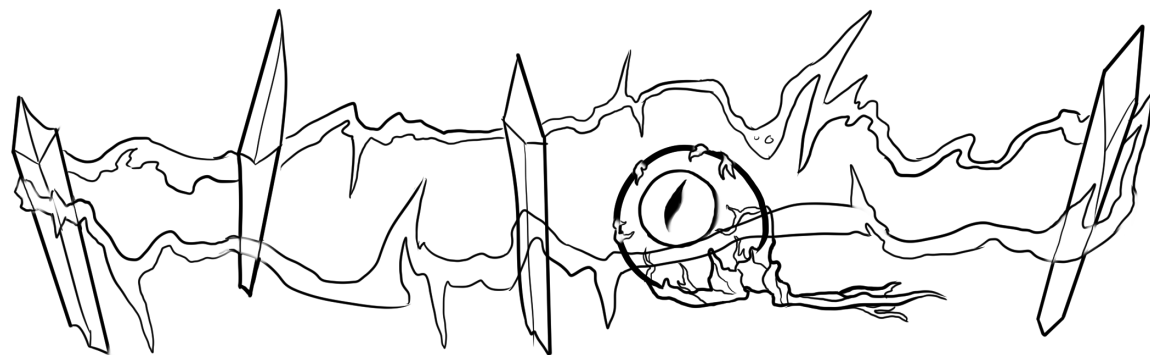

"Why would you say that?!"

Keyleth

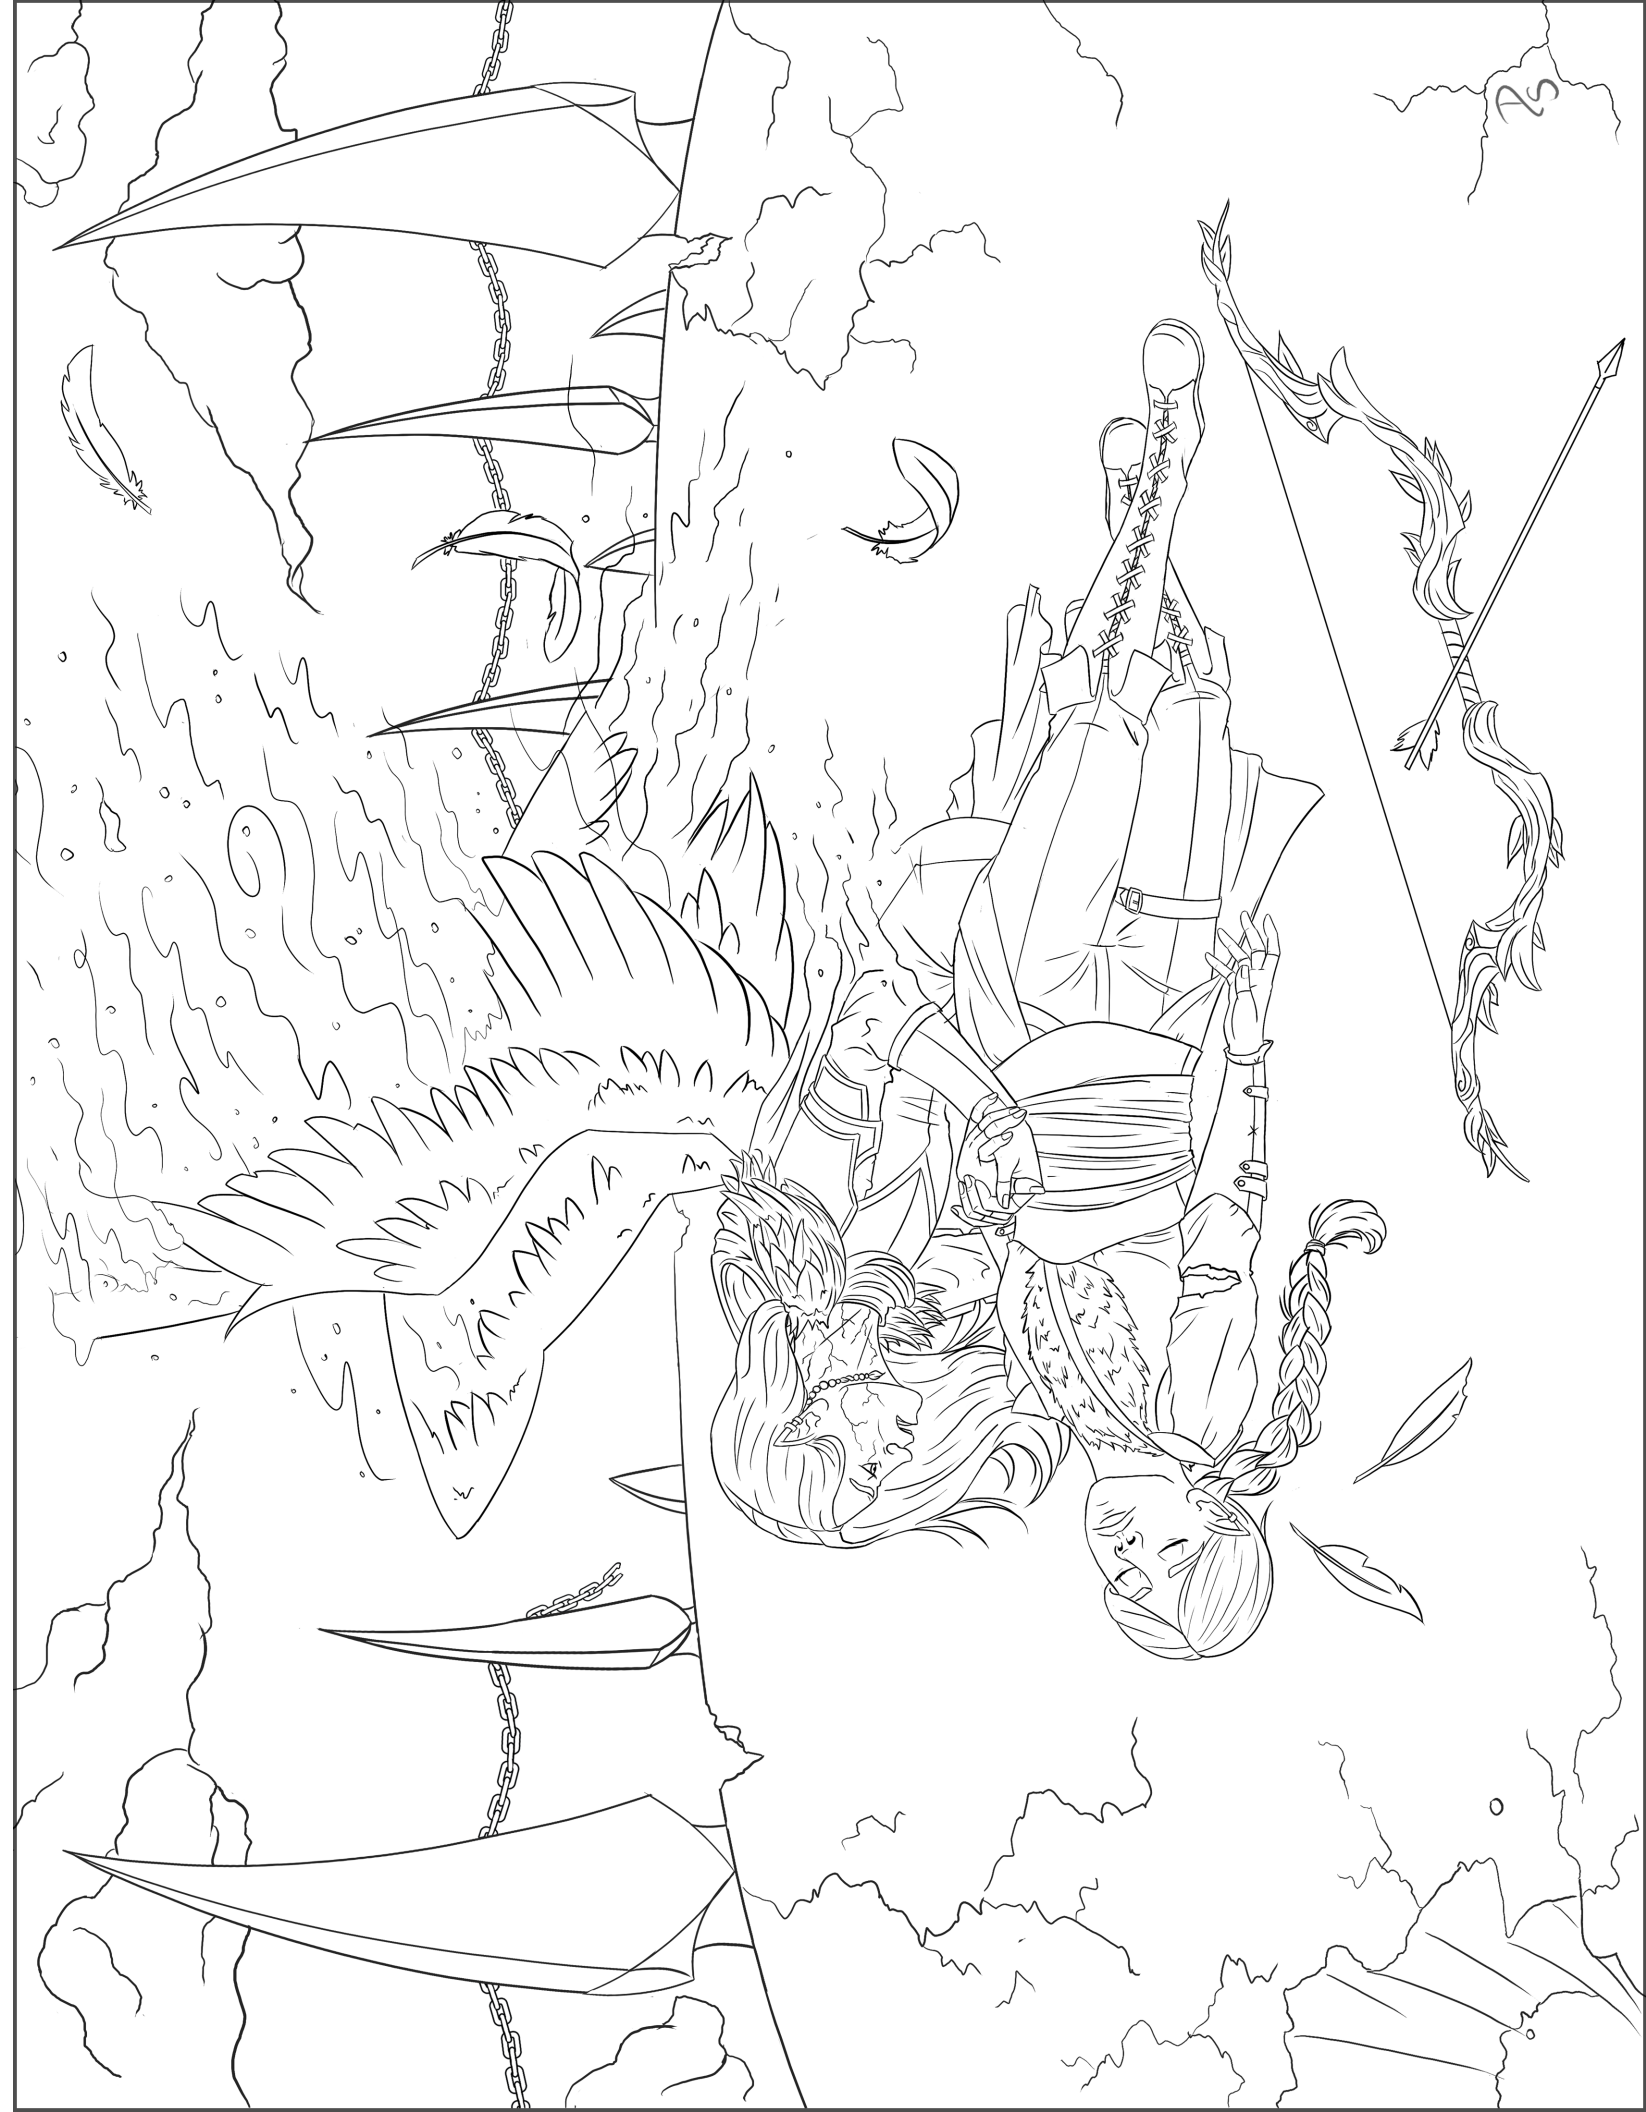

**"Screw you, I want my final words to you
to be indignant and irritated."**

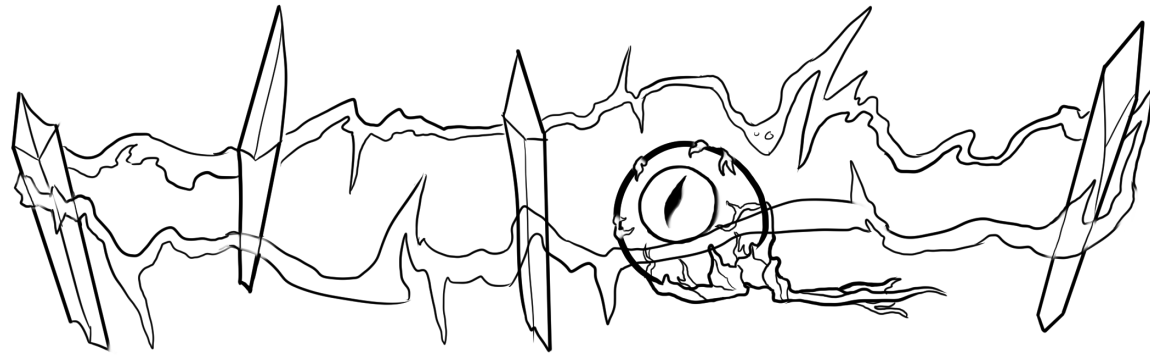

Percival de Rolo

"I've never had a greater friend than you."
Vax'ildan

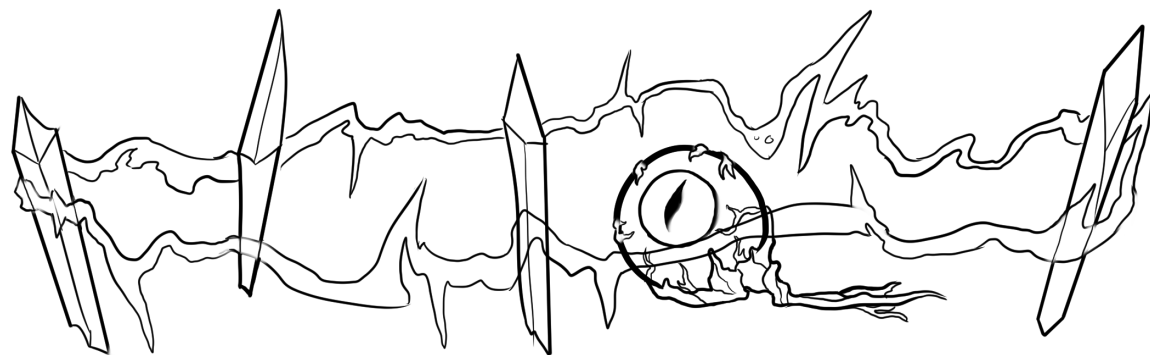

"It's all shitty, so it just depends on how you look at it.
You can dwell on the shit, or just leave it behind
in people's beds and keep going."

Scanlan Shorthalt

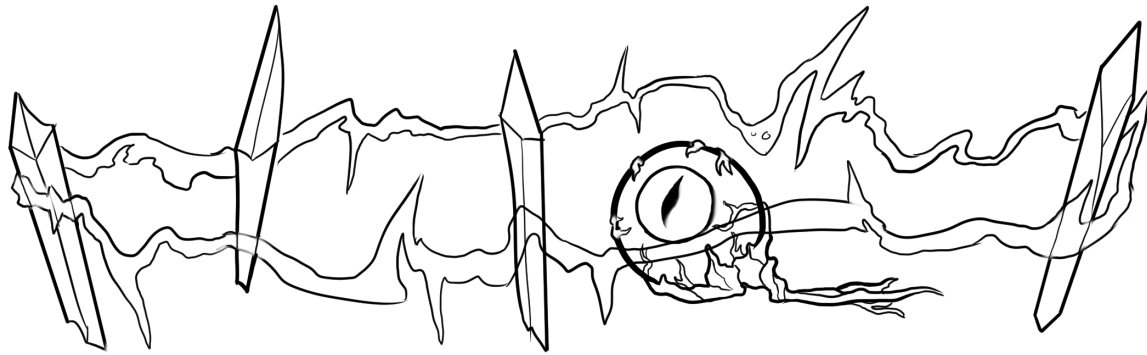

"The rest of [Vox Machina] watch as [the Raven Queen's] cloak begins to fade, like a slowly scattered shadow in creeping sunlight. And as the snowdrop flowers continue with each step, you blink. And it's just feathers."

Matt Mercer

"I think the most free I've ever been, is when I was with you."

Scanlan Shorthalt

"I think that there's no one I would rather spend the rest of my days with. Except for my pal Grog. Ya know, you get a 2 for one deal."

Pike Trickfoot

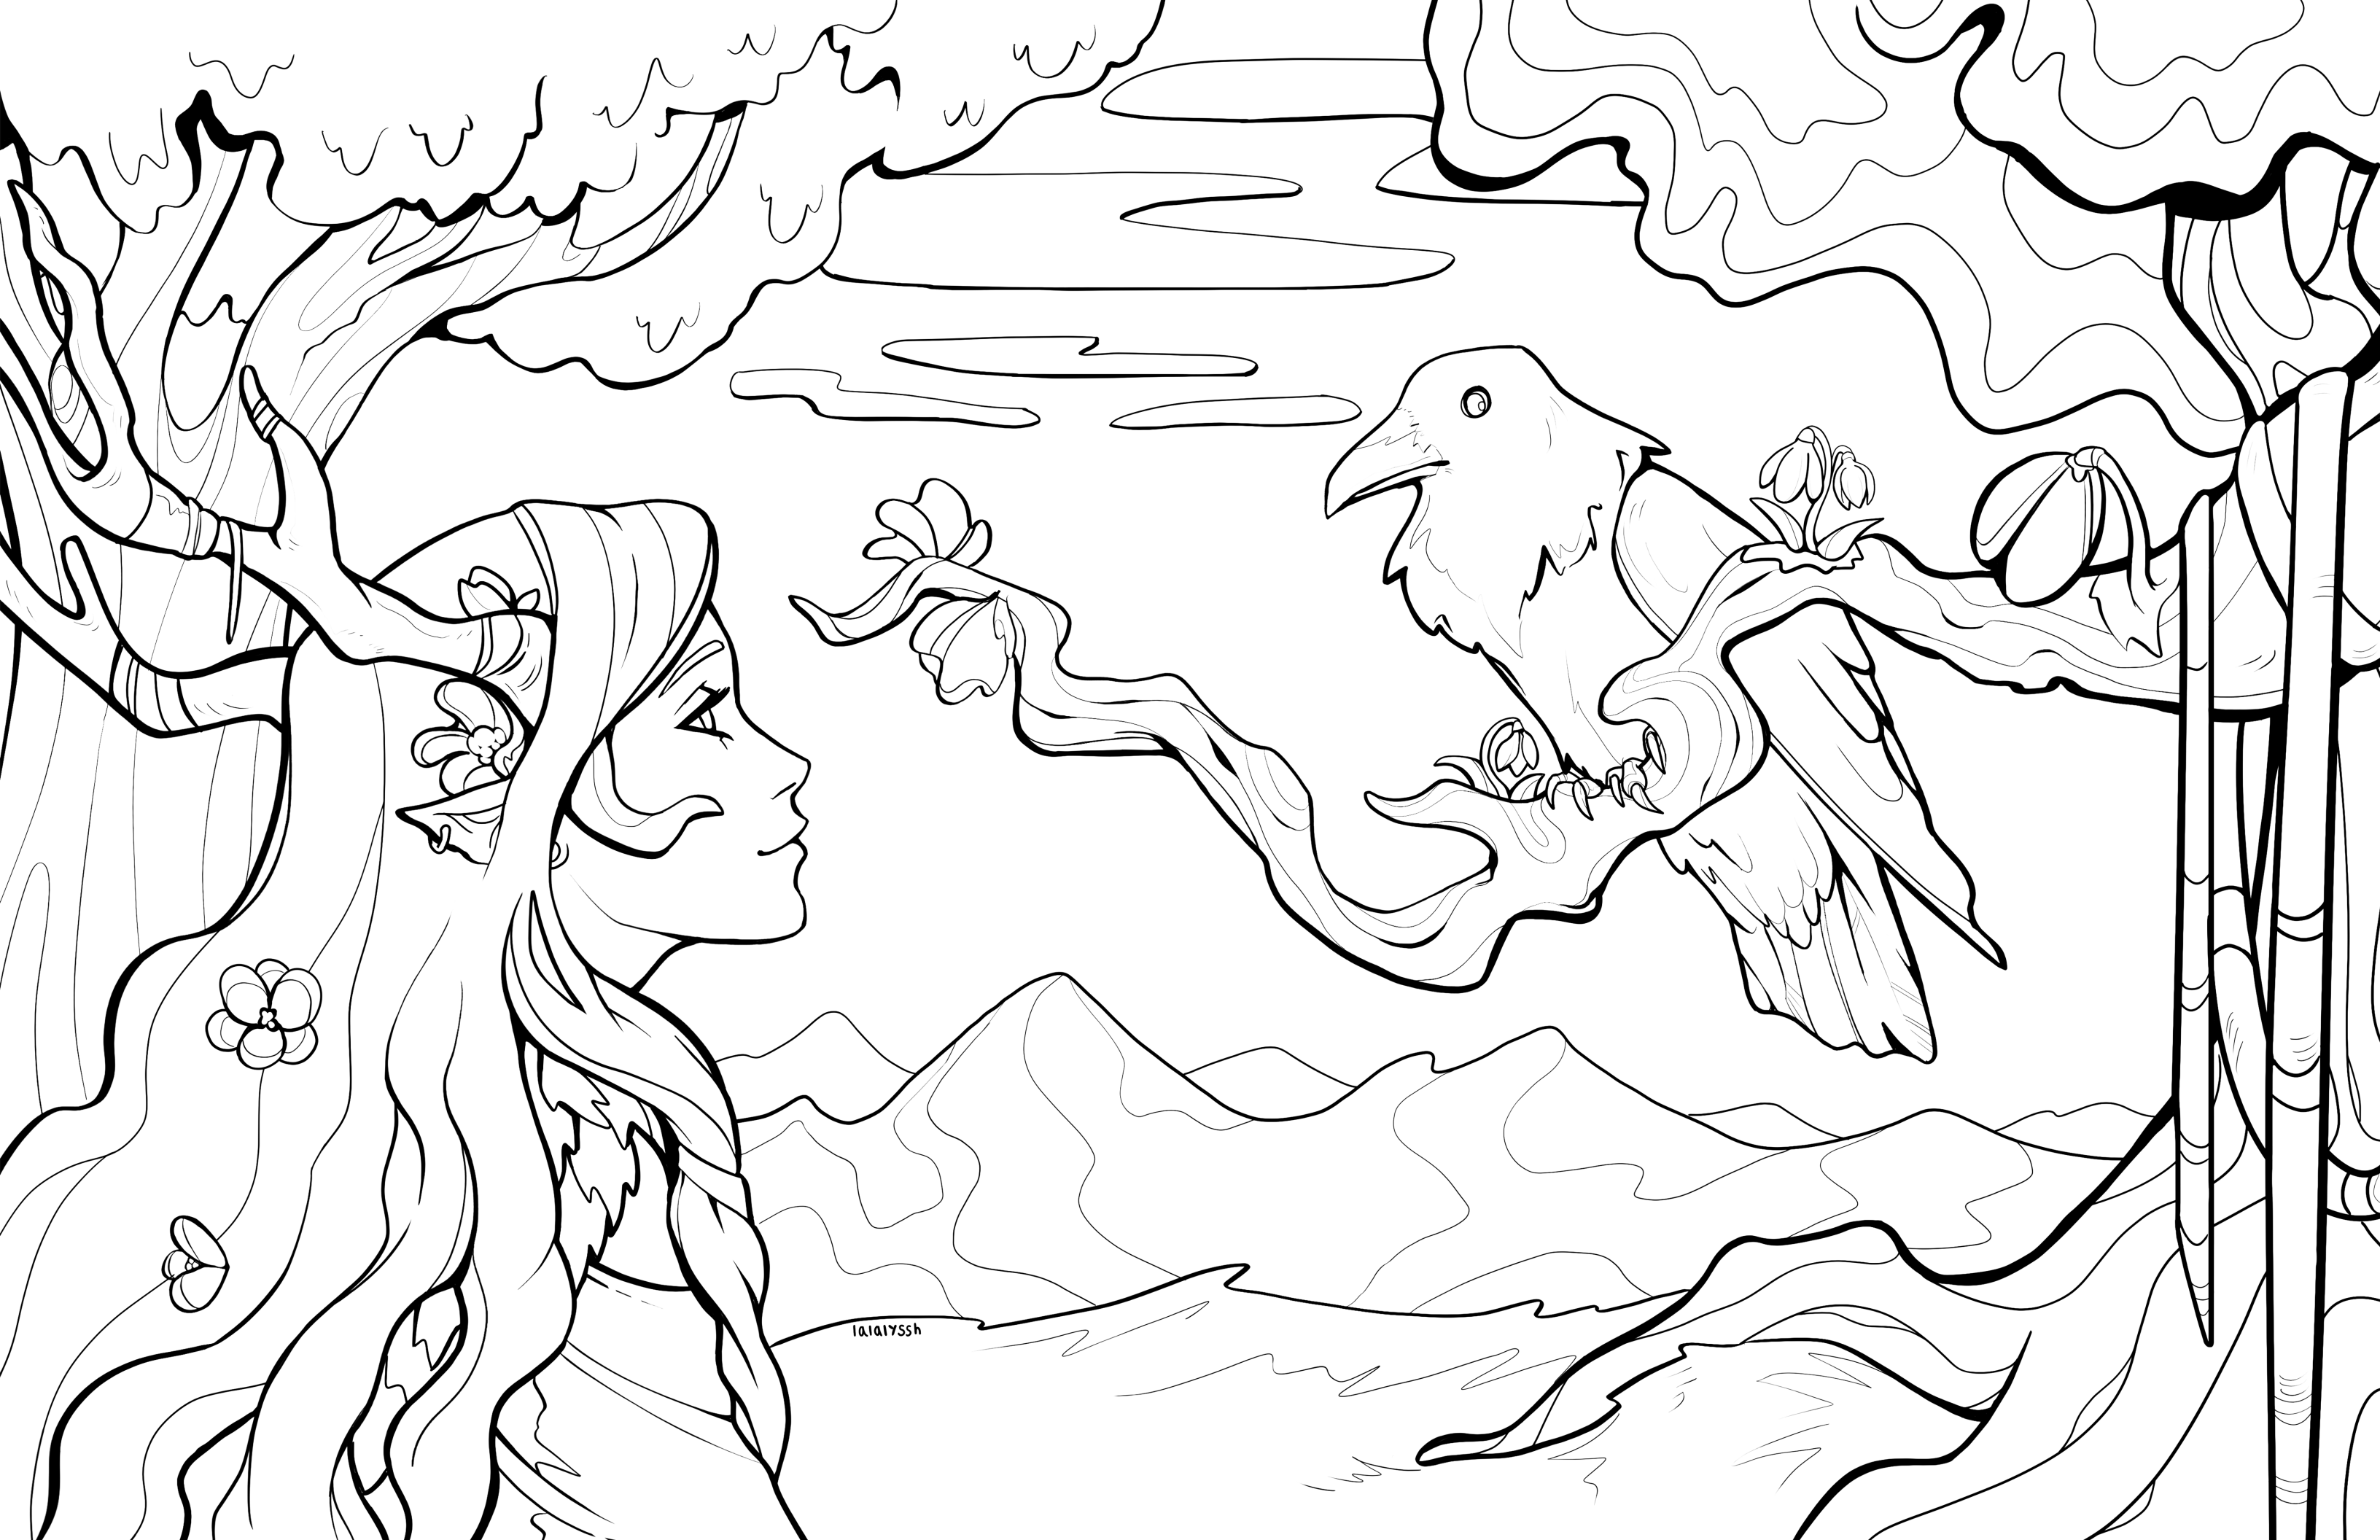

"Sure, sure. Be a weird—Weird family dynamic."

Scanlan Shorthalt

"Hey could you keep it down up there?"

Grog Strongjaw

And every day that raven comes to visit...

From the bottom of our nerdy hearts to the
cast and crew of Critical Role: THANK YOU!
Thank you for creating the stories, the
characters, and the adventures that we
love so very, very dearly.

The mission of **The Pablove Foundation** is to improve the lives of children living with cancer through the arts and invest in underfunded, cutting-edge pediatric cancer research.

Our **Pablove Shutterbugs** Program gives kids + teens living with cancer a creative outlet through the art of photography. Young patients across the country have learned photography through our healing arts programs.

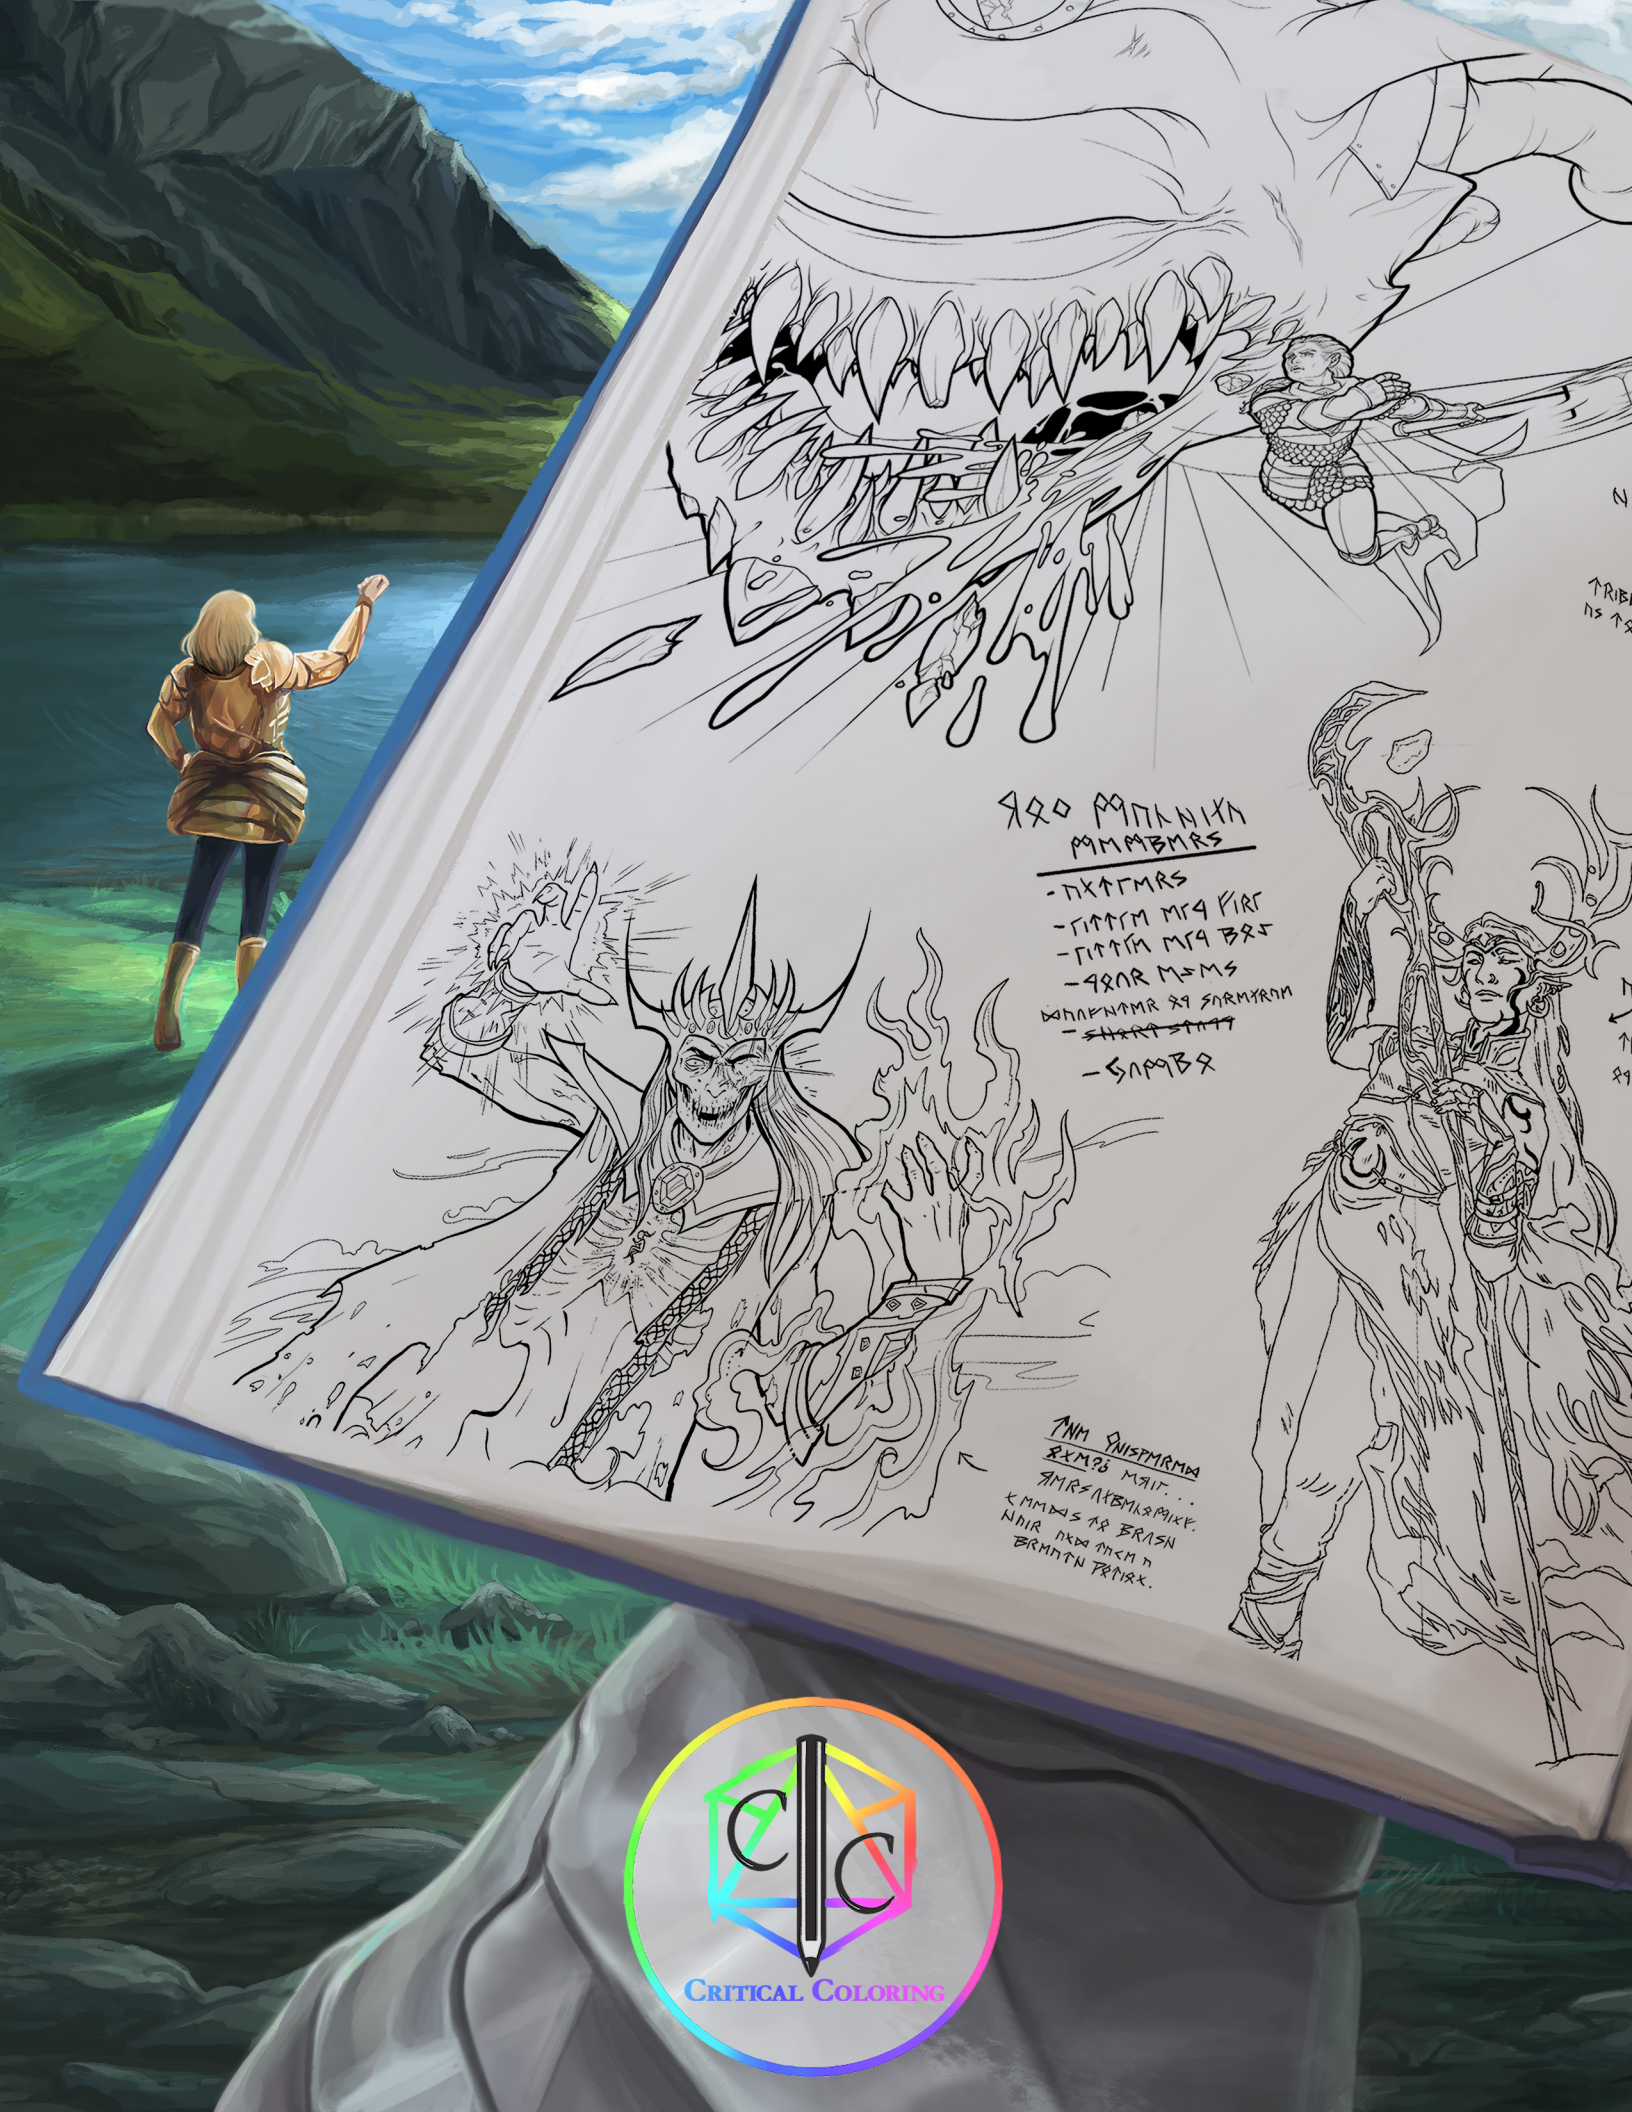

Our **Powered by Pablove** Childhood Cancer Research Grants Program has invested \$2.8 Million in childhood cancer grants. We provide funding so the brightest minds in pediatric cancer research can find the next big breakthrough and positively affect the 300,000 children diagnosed nationally with cancer each year.

Learn more at: www.pablove.org

In 2018, the Critter community donated over \$70,000 to fund a seed grant for an innovative cancer researcher on the quest for a cure.

We thank you!
